**The Winona LaDuke Reader** Winona Laduke, 2002-06-09 For more than twenty years Winona LaDuke has impressed people around the world with her oratory and debate skills and as an advocate for Native American rights champion of women's and children's issues protector of the environment and as a leading voice of the Green Party A charismatic and inspiring speaker and writer LaDuke possesses a stirring passion that comes through in the 30 speeches articles and fiction excerpts compiled in The Winona LaDuke Reader This is the first collection of the many political speeches and think pieces that she has written for magazines such as Sierra Smithsonian's American Indian and more **Honor the Earth** Phil Bellfy, 2022 The Great Lakes Basin is under severe ecological threat from fracking bursting pipelines sulfide mining abandonment of government environmental regulation invasive species warming and lowering of the lakes etc This book presents essays on Traditional Knowledge Indigenous Responsibility and how Indigenous people governments and NGOs are responding to the environmental degradation which threatens the Great Lakes This volume grew out of a conference that was held on the campus of Michigan State University on Earth Day 2007 All of the essays have been updated and revised for this book Among the presenters were Ward Churchill author and activist Joyce Tekahnawiaaks King Director Akwesasne Justice Department Frank Ettawageshik Executive Director of the United Tribes of Michigan Aaron Payment Chair of the Sault Sainte Marie Tribe of Chippewa Indians and Dean Sayers Chief of the Batchewana First Nation Winona LaDuke author activist twice Green Party VP candidate also contributed to this volume Adapted from the Introduction by Dr Phil Bellfy The elements of the relationship that the Great Lakes ancient peoples had with their environment developed over the millennia was based on respect for the natural landscape pure and simple The original people of this area not only maintained their lives they thrived within the natural boundaries established by their relationship with the natural world In today's vocabulary it may be something as simple as an understanding that if human beings take care of the environment the environment will take care of them The entire relationship can be summarized as harmony and balance based on respect **American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell

Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes     **Encyclopedia of the American Indian Movement** Bruce E. Johansen, 2013-04-09 A vivid description of the people events and issues that forever changed the lives of Native Americans during the 1960s and 1970s such as the occupation of Alcatraz fishing rights conflicts and individuals such as Clyde Warrior Rising out of more than a century of poverty and pervasive repression stoked by the example of the movement against the Vietnam War and the upheaval among black and Chicano civil rights activists the American Indian Movement shifted the debate over the Indian problem to a new level Many Native peoples also took a stand for fishing rights land rights and formed resistance to coal and uranium mining on tribal land This work tells the story of that movement and provides the first encyclopedic treatment of this subject Providing a vital documentation of a controversial and often surprising period in American Indian history Bruce E Johansen an accomplished scholar and authority on Native American history provides more than descriptions of historic events and careful analysis he also frames what occurred in the American Indian Movement personally and anecdotally drawing from individual stories to illustrate larger trends and to ensure that the material is appealing to high school students university level readers and general readers alike

**The Utne Reader** ,2000     The Strange Death of Liberal America Ralph Brauer, 2006-05-30 Ralph Brauer defines Liberal America as a place where government exists to keep the playing field level The success of the American experiment he argues depends on how well we maintain this equity and its four cornerstones economic justice educational equity voting rights and media fairness His book is both a political and intellectual history examining the various threats to these cornerstones and a social and cultural chronicle Touching on music television movies and sports Brauer s thesis is underscored by a historical discussion that begins with the New Deal and works its way to the present ending with Global Warming and the Iraq War Arguing that the patient is in intensive care Brauer identifies three reasons for the decline of the level playing field 1 a Republican counterrevolution dedicated to rolling back the values of the New Deal 2 an inability of both parties to answer questions raised by decades of Civil Rights revolutions and 3 the transformation of suburban America from a place of opportunity created by government programs to a battleground These three ideas form the basis for the book s three sections Part One follows the development of the Counterrevolutionary Coalition beginning with the Southern Strategy and ending with a chapter on America s politicized media Part Two focuses on questions that have been raised by people of color and by women and treats the Democratic Party s failure to answer those questions as illustrated by events like the Nader LaDuke campaign and the 1964 Atlantic City convention Part Three details the impact of suburban America on the cornerstones     *Creativity in Exile* ,2016-08-09 Until recently discussion of creativity in exile has focussed almost exclusively on a few European male writers from Dante to Joseph Brodsky who sought refuge abroad from political oppression This

volume with accompanying 100 minute DVD ranges much more widely to examine the extraordinary creative endeavours in a range of media of men and women in almost every part of the world who for a host of different reasons have experienced displacement from their homelands It brings together papers by academics many of whom have experienced exile themselves on topics as diverse as the visual arts in Colombia fiction by displaced indigenous peoples convicts and slaves as exiles writings about the partition of Bengal the culture of Palestinian Americans philosophers on exile and the significance of cooking to refugee communities which are interspersed with poems by contemporary writers in exile The use of the DVD format has permitted the inclusion of studio interviews with notable exiled writers from Nigeria Cyprus and Bulgaria extracts from two films relating to exile a live reading of his work by an Iraqi poet an audio and sculptural installation by a First Nations Canadian artist and a performance by musicians in exile from Burundi
