Schmitz, 1966      **The Sorceress of Karres** Eric Flint, Dave Freer, 2010-01-01 As Captain Pausert had often had occasion to observe life just wasn t fair Hadn t he with the help of the notorious witches of Karres of course outmaneuvered the deadliest of space pirates and eliminated the threat of the Worm World as told in *The Witches of Karres* after which at the least he deserved some time off No such luck though as the Empress herself sent him on a secret mission to stop the nanite plague but an enemy had somehow convinced the Imperial Fleet that he was actually a wanted criminal so after a battle leaving his ship in urgent need of repairs all three of them joined an interstellar traveling circus don t ask in order to save the galaxy once again as told in *The Wizard of Karres* Time for a vacation Don t be ridiculous there s a new urgent mission that has Captain Pausert s name on it This new novel finds the long suffering Captain and the two young Karres witches Goth who vows she will marry him when she grows up and her younger sister The Leewit being sent off to investigate mysterious and ominous events in the notorious Chaladoor region of space Goth soon becomes aware that unknown but surely inimical forces

are tracking them and in order to foil them she takes a desperate route to travel back in time and meet Pausert as a young boy Meanwhile the Captain and the Leewit find themselves in the middle of their own desperate situation in the Chaladoor Whoever it was who said that a change was as good as a vacation never met any of the Witches of Karres nor experienced their amazing talent for getting Captain Pausert into trouble At the publisher s request this title is sold without DRM Digital Rights Management

**Eternal Frontier** James H.

Schmitz,2002-09-01 Ape Man Space Man Earth s colonists have spread throughout the cosmos and have almost divided into two separate species One is the Swimmers who have adapted to living in zero gravity and regard themselves as the next step in evolution and those who prefer to live on the surface of a planet as little better than apes The latter group the Walkers are not about to say farewell to the planets they grew up on and think the Swimmers are not so much advanced as deranged Crowell born a Swimmer but now a Walker by choice is caught in the middle as the two sides seem headed for war Then he discovers the true cause of the altercation a hidden alien race moving behind the scenes to provoke a war so that they can pick up the pieces after the two sides have obliterated each other And if Crowell cannot head off the war and convince both sides of the existence of the real enemy both branches of the human race may be headed for untimely extinction This full length novel and much more fill a huge volume from the master of science fiction adventure At the publisher s request this title is sold without DRM Digital Rights Management Much has been made of the sense of wonder that science fiction evokes and believe me there was nothing to evoke that sense quite like the worlds of James Schmitz Thank you James Schmitz wherever you are And thank you Eric Flint and Jim Baen for bringing his Right Stuff back again Mercedes Lackey Take my advice and buy TWO copies of this book You ll want to lend it to friends and trust me on this I have years of experience to back up the observation once people get their hands on a Schmitz book they don t let go Janet Kagan Hugo winner and author of Uhura s Song      *The Wizard of Karres* Mercedes Lackey, Eric Flint, Dave Freer, 2006-01-01 At last the sequel to *The Witches of Karres* Three top writers continue the bewitching adventures begun in one of science fiction s most beloved novels First time in paperback It just wasn t fair Captain Pausert had foiled the deadliest of space pirates and eliminated the threat of the Worm World yet his troubles kept piling up Sent on a secret mission to stop the nanite plague a self aware disease that could devastate whole worlds he quickly found that someone had convinced the Imperial Fleet that he was actually a wanted criminal which led to a battle leaving his ship in urgent need of repairs And while Goth and the Leewit two of the notorious witches of Karres could do amazing things ship repair was not in their line So he stopped at the next planet for repairs but found that somehow his bank account had been cut off and the authorities were looking for someone matching his description There was only one thing to do join the circus An interstellar traveling circus that is All the galaxy loves a clown as long as Pausert Goth and the Leewit can keep their disguises from slipping The show must go on or the galaxy is doomed
