Jack the Ripper - Unmasked: The Real Identity of the World's Most Infamous Killer is Revealed at Last William Beadle, 2010-06-07 Had the Jack the Ripper murders taken place in 1988 not 1888 then our response to them would have been markedly different Since those dark days in Victorian London we have learnt much about this type of killer their damaged childhoods misfit adulthoods and psychopathic alienation from the human race But can this new knowledge help to solve a mystery that has been eluding generations of policemen and historians By comparing the crimes of the Ripper with those of other serial killers Ripper expert William Beadle creates a more extensive psychological profile of the man behind Jack the Ripper than ever before One suspect who embodied all the dire characteristics was William Henry Bury Bury moved to the East End of London in 1887 He had a terrible childhood he was a horsemeat butcher and he had a violent relationship with his wife But was Bury the Ripper Beadle uses his Ripper psychological profile in conjunction with newly unearthed evidence Bury was out all night on the dates of the murders and when his wife committed suicide she had been strangled and her body ripped up in the same way as the Ripper's victims When Bury was executed for the murder of his wife the killings in the East End stopped A Scotland Yard detective even conceded to the hangman that he was quite satisfied you have hanged Jack the Ripper

Jack the Ripper Trevor Marriott, 2007-04-30 There have been countless attempts to solve the brutal murders committed more than 100 years ago by Jack the Ripper but this most famous of British criminal cases finally benefits from a clear professional eye to analyze the evidence with all the benefits of modern investigative techniques Casting aside the rumors fantasies and urban legends which have haunted this case for so long Trevor Marriott produces some startling results while it has long been accepted that Jack the Ripper killed only five women Marriott believes there were up to nine victims Most astonishingly of all a previously unconsidered suspect who also committed murders in America and Germany has been firmly put in the frame All previous theories are refuted in what may possibly be the final word on the Ripper murders
