The Voices in My Head Jerry Don Nicholes Sr.,2013-11 Sean Bowers is haunted by the voices in his head He struggles to keep a grip on reality but the voices threaten his sanity They also challenge the law pressuring Sean to do terrible evil things he can't even consider The voices continue and he eventually loses the fight against them giving in to their demands As he is propelled into a world of murder and crime his actions feel beyond his control and yet at the same time he feels justified The horrible occurrences that surround Sean soon cast a shadow on his small neighborhood The townspeople want justice Even his family finds it impossible to be on his side turning against Sean with disastrous consequences As the voices continue secrets come to light that make it clear Sean's troubles are not merely madness but something much darker With this new knowledge and the help of his remaining loved ones will Sean return to a semblance of sanity or will he allow the voices inside to permanently alter his fate **Petronel** Florence M. What the Voices in My Head are Saying ... Patrick B Vince,2013-06-09 voices in my head made me do it what a wonderful excuse that would be to use They may not be able to influence my actions but my writing is another cup of arsenic Writings from a time in the hospital when the voices seemed to be winning Take a gander and see if they are like the ones in your head **The Journal of Mental Science** ,1885 **Voices in My Head** Bill Stenlake,2014-02-12 I am Bill McIntyre and I am a healer by trade I have recently developed the dubious ability of hearing voices in my head I wake up one morning and hear a voice asking for help Before I lose the voice I manage to get a little information but not much Discussing the situation with a colleague I find a possible matching address for the voice Based purely on that I make my way there I knock at the door and when I get no reply I ask the neighbours They haven't seen anything today I decide to call a policeman I helped a few months back when he was having a strong allergic attack whilst eating a sandwich Not surprisingly he can't help me now I am so convinced that the voice is in trouble and Alice is in the house that I break down the front door of the house I find Alice unconscious and barely alive curled up in the under stairs cupboard The policemen want to know me now Alice the voice has been left for dead and her son Harry has been taken hostage by two of Grant's people Grant is trying to track down Daniel Alice's husband Unbeknown to Alice Daniel has been working for big time criminal Grant for a year now They were not supposed to harm Alice or Harry but things didn't go the way they were meant to Daniel has helped himself to some of Grant's goods after misjudging how the business works and thinking Grant wouldn't miss them When Grant finds out that Alice is not dead as he had been told he takes action to erase any connection that may lead back to him Daniel finds out what has happened to Alice and Harry but is no position to do anything as he has his own skin to save and has no intention of going back to Alice Bob Hall the policeman eventually unofficially asks for my help to try to locate Harry I have been in the

hospital sitting at Alice's bedside. She has no other family and I didn't think it was right she should be alone. I hear the voice again and again it is Alice who is still unconscious but slowly coming round in Hospital. When she regains consciousness again she asks me to help to find Harry whose pleas for help have now come into my head. The story follows my efforts to help Alice recover and to try to find Harry. It follows Daniel's story and that of Grant too as he tries to recover his goods.
