The Wars Of Alexander The Great:

The Wars of Alexander the Great Waldemar Heckel, 2014-06-06 The age of Alexander and his conquest of the Persian or Achaemenid Empire which had existed for over two centuries represents a watershed in the history of the world This book offers a fascinating insight into the achievements of one of the greatest generals ever known Alexander s conquests are of profound significance By perfecting the new weapons and tactics developed by his father Philip II and combining them with the use of specialist units and advancements in siege warfare Alexander enabled the Macedonian kingdom to move beyond the restrictions of city state armies and on to the stage of world conquest *The Wars of Alexander the Great* Charles River Editors, 2020-03-19 Includes pictures Includes excerpts of ancient accounts Includes a bibliography for further reading Over the last 2 000 years ambitious men have dreamed of forging vast empires and attaining eternal glory in battle but of all the conquerors who took steps toward such dreams none were ever as successful as antiquity s first great conqueror Leaders of the 20th century hoped to rival Napoleon s accomplishments while Napoleon aimed to emulate the accomplishments of Julius Caesar But Caesar himself found inspiration in Alexander the Great 356 323 BCE the Macedonian king who managed to stretch an empire from Greece to the Himalayas in Asia by the age of 30 It took less than 15 years for Alexander to conquer much of the known world At one point in antiquity the Achaemenid Persian Empire was the largest empire the world had ever seen but aside from its role in the Greco Persian Wars and its collapse at the hands of Alexander the Great it has been mostly overlooked When it has been studied the historical sources have mostly been Greek the very people the Persians sought to conquer Needless to say their versions were biased and attitudes about the Persians were only exacerbated by Alexander the Great and his biographers Darius III king of Persia at the time of Alexander s invasion was no tactical genius but he was an intelligent and persistent enemy who had been handed the throne just before the arrival of the indomitable Alexander His misfortune was to face an enemy at the forefront of military innovation and flexibility a fighting force that he was not equipped to handle and the unconquerable will of the Macedonian army fueled by devotion to their daring and charismatic king To be fair after he had finished off the Persians Alexander must have been glad to leave Persia and its adjoining provinces at his back Alexander was planning to march onwards into India and had made overtures to the wild tribesmen that inhabited the region that is now Pakistan but he had been abruptly refused The chieftains of the hill clans who guarded the passes of the mighty Hindu Kush mountains were determined to make a fight of it secure in the knowledge that the high passes of their domains were virtually unconquerable Alexander never one to accept defiance made his preparations and in midwinter a season traditionally reserved for rearmament and regrouping he began his campaign The Aspasioi the Guraeans and the Assakenoi inhabitants of the rocky valleys of north western Pakistan all opposed him so Alexander destroyed their fortresses one by one determined to extinguish them The hill clans were fierce fighters and each fortress small though they generally were was only carried by storm after days of vicious fighting which resulted in grievous losses

among the Macedonian ranks To give an idea of the brutality of this conflict Alexander himself was seriously wounded twice during two separate sieges taking a javelin through the shoulder fighting the Aspasioi and then a spear thrust to the ankle in the assault against the Assakenoi fortress of Massaga His reprisal was fierce every fortress of the hill clans that did not surrender him was razed to the ground and its inhabitants put to the sword to the last man Despite the war weariness of his veterans and many of his generals after having vanquished the hill tribes Alexander pressed south and east into the Punjab There he clashed with the most powerful enemy he had encountered since he had vanquished Darius at Gaugamela the great Indian ruler Rajah Porus whose domains included virtually the whole Punjab and who commanded a massive army Alexander s force came face to face with Porus s army at the Hydaspes River in 326 BCE Despite Porus s strong defensive position Alexander succeeded in forcing a crossing

Dividing the Spoils: The War for Alexander the Great's Empire Robin Waterfield, 2011-04-21 This is the story of one of the great forgotten wars of history which led to the division of one of the biggest empires the world has ever seen Alexander the Great built up his huge empire in little more than a decade stretching from Greece in the West via Egypt Syria Babylonia and Persia through to the Indian sub continent in the East After his death in 323 BC it took forty years of world changing warfare for his heirs to finish carving up these vast conquests These years were filled with high adventure intrigue passion assassinations dynastic marriages treachery shifting alliances and mass slaughter on battlefield after battlefield And while the men fought on the field the women schemed from their palaces and pavilions Dividing the Spoils revives the memory of Alexander s Successors whose fame has been dimmed only because they stand in his enormous shadow In fact Alexander left things in a mess at the time of his death with no guaranteed succession no administration in place suitable for such an enormous realm and huge untamed areas both bordering and within his empire The Successors consolidated the Conqueror s gains Their competing ambitions however meant that consolidation inevitably led to the break up of the empire Astonishingly this period of brutal cynical warfare was also characterized by brilliant cultural developments especially in the fields of philosophy literature and art As well as an account of the military action this is also the story of an amazing cultural flowering In some senses a new world emerged from the dust and haze of battle the world of Hellenistic Greece A surprising amount of the history of many countries from Greece to Afghanistan began in the hearts and minds of the Successors of Alexander the Great As this book demonstrates their stories deserve to be better

Sheppard,2011-03-22 Perhaps the most famous commander of the ancient world Alexander the Great and his battles and victories never cease to fascinate those with any interest in Ancient Greece He was aged only 20 when he became king of Macedon but he had already begun to show the military genius that would win him future victories against the mighty Persian Empire In an epic campaign lasting 11 years Alexander traveled thousands of miles through deserts plains and forests fought huge battles and besieged many cities to become the master of a massive empire stretching from Greece to India He died prematurely at the age of just 33 and no man could hold together the empire he had created A god in his lifetime his name is still world famous millennia after his death This book examines Alexander s campaigns in detail and his victories and the tactics that ensured them are explained and described with the help of maps illustrations and reconstructions to bring the epic career of one of the ancient civilization s greatest generals to life The History of the Wars of Alexander the Great Quintus Curtius Rufus,1798

The War Chronicles: From Chariots to Flintlocks Joseph Cummins,2008 **The Generalship Of Alexander The Great** J.F.C. Fuller,1960 A thrilling portrayal of Alexander s military career and genius American Historical Review In a brief and meteoric life 356 323 BC the greatest of all conquerors redirected the course of world history Alexander the Great accomplished this feat with a small army no more than 40 000 men and a constellation of bold revolutionary ideas about the conduct of war and the nature of government In a style both clear and witty Fuller imparts the many sides to Alexander s genius and the full extent of his empire stretching from India to Egypt Of all General Fuller s brilliant books this is his masterpiece B H Liddell Hart **The History of the Wars of**

Alexander the Great Quintus Curtius Rufus,Johann Freinsheim,John Digby,1747 *The Origins Of War* Arther Ferrill,2018-05-04 When did war begin Standard military accounts tend to start with the Graeco Persian wars laying undue emphasis on the preeminence of Greek heavy infantry But as this strikingly original and entertaining book shows the origins of war can be traced back not to the Iron Age or even to the Bronze Age but to the emergence of settled life itself nearly 10 000 years ago The military revolution that occurred then the invention of major new weapons the massive fortifications the creation of strategy and tactics ultimately gave rise to the great war machines of ancient Egypt Assyria and Persia that dominated the Near East until the time of Alexander the Great It is Arther Ferrill s thesis that in the period before Alexander there were two independent lines of military development a Near Eastern one culminating in the expert integration of cavalry skirmishers and light infantry and a Greek one based on heavy infantry When Philip and Alexander blended the two traditions in their crack Macedonian army the result was a style of warfare that continued despite technological changes down to

The Wars Of Alexander The Great Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Wars Of Alexander The Great has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Wars Of Alexander The Great has opened up a world of possibilities. Downloading The Wars Of Alexander The Great provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Wars Of Alexander The Great has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Wars Of Alexander The Great. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Wars Of Alexander The Great. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Wars Of Alexander The Great, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Wars Of Alexander The Great has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
