The Jewish War
 Flavius Josephus, E. Mary Smallwood, 1981-09-17 2 MP3 CDs Unabridged With Music and Sound Effects Includes Volumes 1 and 2 Running Time 20 hours Contents of Volume I In AD 66 nationalist and religious revolutionaries in Palestine led a ferocious revolt of the Jewish people against the authority of mighty Rome culminating in the greatest upheaval and savagery the world had known up to that time By the end of the conflict seven years later over one million Jews had perished and tens of thousands were sold into slavery Until the Holocaust it remained the greatest tragedy ever endured by a people How had this once peaceful and prosperous region been struck down and by what process did its fratricidal feuds take it down this slippery slope to utter annihilation Fortunately for us there was an eyewitness historian to the momentous events Joseph ben Mattathias known to posterity as Flavius Josephus In beautifully written and clearly understood prose Josephus sets out to explain the origin of the conflict He describes how the fanatical zealots came to dominate the political life of Palestine illustrates how the Romans were drawn into the fight and shows how the war was carried on by both sides ending with the siege of the fortress of

Masada In volume 1 discover how Herod the Great came to be king of the Jews during the time of Julius Caesar how he ruled and what he accomplished You will hear the story of his larger than life personality and how family conflict poisoned his reign Discover the means by which Herod eliminated his enemies including members of his own family and how his successors corruption and ineptitude brought on growing anarchy and religious tension Peer into the mind of nationalist fanatics bent on destroying themselves and their nation for the sake of their beliefs Hear how famous persons like Cleopatra Mark Antony Pontius Pilate Augustus Nero Vesapasian and Josephus himself played their parts in this fascinating history Volume 1 begins with the origins of the House of Herod in the middle of the first century B C and carries us to the opening battles of the Jewish revolt and the arrival of Vespasian in Judaea Although we encourage listeners to hear the entire work from the beginning in order to form a more complete understanding those who are only interested in the revolt itself may skip to Chapter 9 in volume 1 Running time 10 hours for Volume 1 Contents of Volume II The spectacularly violent Jewish revolt of A D 66 is in full swing as volume 2 opens and we begin our story with the horrific siege of Jotapata and the capture of Josephus Listeners receive a rousing eyewitness account of Roman arms in action as Vespasian presses relentlessly onward to Jerusalem As the Roman war machine closes in on Jerusalem the fanatic zealots inside the city are involved in tearing each other apart and savaging the citizens trapped inside With doom approaching from afar and civil war convulsing the city from within the once grand metropolis of Jerusalem begins to disintegrate Vespasian is proclaimed emperor upon Nero s death and turns over command of the army to his brilliant son Titus who encircles Jerusalem and places it under siege Unable to escape the city and preyed upon by the enraged fanatics from within the pitiful citizens can only watch helplessly as the horrible specter of famine begins to envelope Jerusalem and spread into every household The horrors of siege warfare are driven home as we hear some of the most impassioned descriptions of man s folly ever put on paper Learn how the magnificent Great Temple was burned and obliterated and discover the fate of Jerusalem itself And finally hear the account of the incredible siege of Masada one of the last major events of the war The Jewish War is one of the most important histories to survive from ancient times dealing as it does with a subject of which there are very few sources This is an engaging and heart felt chronicle by *The Wars of the Jews* Flavius Josephus,1839 *The Wars of the Jews: Tr. by Sir R. against overwhelming force while refereeing internecine squabbles in the Jewish ranks In 67 C E Josephus and other rebels were cornered in a cave during the siege of Jotapata and took a suicide pact However Josephus survived and was taken hostage by the Romans led by Vespasian Josephus shrewdly reinterpreted the Messianic prophecies He predicted that Vespasian would become the ruler of the entire world Josephus joined the Romans for which he was branded a traitor He acted as consultant to the Romans and a go between with the revolutionaries Unable to convince the rebels to surrender Josephus ended up watching the second destruction of the Temple and the defeat of the Jewish nation His prophecy became true in 68 C E when Nero committed suicide and Vespasian became Ceasar As a result Josephus was freed he moved to Roman and became a Roman citizen taking the Vespasian family name Flavius Vespasian commissioned Josephus to write a history of the war which he finished in 78 C E the Jewish War His second major work the Antiquities of the Jews was completed in 93 C E He wrote Against Apion in about 96 100 C E and The Life of Josephus his autobiography about 100 He died shortly after Despite his ambivalent role Josephus was an eyewitness to history and his writings are considered authoritative These texts are key to understanding a pivotal point in world history which has tragic repercussions even to this day
