**Michael Jonik**

## **The Weaver God He Weaves The Weaver God He Weaves:**

*The Weaver-God, He Weaves* Christopher Sten,1996 In this book the author sets out to dispel the idea that Melville was an author of raw genius who knew or cared little about the art of the novel Rather he shows how Melville not only knew about the novelist s craft but also appropriated and transformed a series of distinct genres **Moby Dick** Herman Melville,1902 **Herman Melville and the Politics of the Inhuman** Michael Jonik,2018-02-22 Studies of the writing of Herman Melville are often divided among those that address his political historical or biographical dimensions and those that offer creative theoretical readings of his texts In Herman Melville and the Politics of the Inhuman Michael Jonik offers a series of nuanced and ambitious philosophical readings of Melville that unite these varied approaches Through a careful reconstruction of Melville s interaction with philosophy Jonik argues that Melville develops a notion of the inhuman after Spinoza s radically non anthropocentric and relational thought Melville s own political philosophy in turn actively disassembles differences between humans and nonhumans and the animate and inanimate Jonik has us rethink not only how we read Melville but also how we understand our deeply inhuman condition **The Works of Herman Melville:**

**Moby-Dick, or, The whale** Herman Melville,1922 *Fictions of Home* Martin Mühlheim,2018-04-23 This study aims to counter right wing discourses of belonging It discusses key theoretical concepts for the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home In detailed readings of one film and six novels a view is developed according to which home as a spatio temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics **Chasing the White Whale** David Dowling,2010-11-28 There have been a lot of crazy books about Melville and Moby Dick but this isn t one of them Dowling s overarching analogy between Ishmael s and Melville s obsessions and the annual marathon group reading of Moby Dick in New Bedford makes perfect sense and generates illuminating analyses of the novel and its cultural contexts It also lets him open his book up into a passionate exploration of how great literature can still play a vital role in people s lives today Damion Searls editor Thoreau s The Journal 1837 1861 and Melville s or The Whale Book Jacket

**Ideology and Classic American Literature** Sacvan Bercovitch,Myra Jehlen,1986 The essays by Americanists concerned with the problem of ideology and its bearing upon American literature and culture **Ishmael Alone Survived** Janet Reno,1990

Drawing on studies of survivor psychology this work provides an illuminating new reading of Moby Dick Janet Reno gives Ishmael new prominence and casts light on many of Moby Dick s structural and thematic features **Sacred Uncertainty** Brian Yothers,2015-04-30 Yothers Sacred Uncertainty examines Melville s engagement with religious difference both within American culture and around the world It is impossible to understand Melville s wider engagement with religious and cultural questions however without understanding the fundamental tension between self and society self and others that

underlies his work and that is manifested in particular in the way in which he interacts with other writers There is almost certainly no more concrete or reliable way to get at Melville s affirmations of and arguments with these interlocutors than in the markings and annotations that appear in his copies of many of their works so Yothers examines Melville s marginalia for clues to Melville s thinking about self other and difference Sacred Uncertainty provides a much needed exploration of Melville s encounter with and reflection upon religious difference      FICTION MOBY DICK; OR THE WHITE WHALE ,1921

moby-dick or the whale herman melville ,1922      **Onward** ,1906      **The Young Judaean** ,1925      **Tools and the Man** Helen Drusilla Lockwood,1927 Presents a comparative study of the French workingman and English Chartists in the literature of 1830 1848      Official Report of the ...
