## **The Whisky Distilleries Of The United Kingdom:**

The Whisky Distilleries of the United Kingdom Alfred Barnard,2013-07-14 In 1885 Alfred Barnard was charged with the task of visiting and reporting on every active Whisky distillery throughout Scotland Ireland and England It took him two exhaustive years In this book you will see the distilleries through his eyes His detailed descriptions of every step in the distilling process is work that remains unparalleled to this day But that's only part of the story As he and his companions traveled the countryside he fell in love with Scotland and all its grandeur as well as the lush landscapes of Ireland As you read through this book presented as an ebook for the very first time you'll fall in love as well Part technical document and part travelogue you're almost getting two books in one intertwined volume Granted this text lacks the visual beauty and splendor of the fine print editions but the words stand up on their own and will transport you to a Victorian adventure that was and is always will be one of a kind This edition does not contain the additional writings of Alfred Barnard that are found in recent print editions just the text of his original book There are two additional chapters from his writings giving added detail for Glenglassaugh and Glenfarclas    **Whisky Distilleries of Scotland 1887** Alfred Barnard,1983-12-01
