Multicultural Children's Literature Donna E. Norton, 2009 With the growing number of ethnic minority students in public schools it is very important for teachers librarians and all those who work with children to have an understanding of appropriate multicultural literature This book and the literature selections are designed to develop heightened sensitivity and understanding of people from various cultures and traditions through the selection of carefully chosen literature It includes a balance of research about the culture and the literature a discussion of authentic literature for students from early childhood through young adults and teaching activities designed to develop higher cognitive abilities The book uses a unique five phase approach for the study of multicultural literature that has been field tested *School Library Journal*, 2007 **Salvation in My Pocket** Benjamin Myers, 2013-11-13 The short pieces assembled in *Salvation in My Pocket* are miniature experiments in Christian joy They are attempts at describing the difference God makes to ordinary experience and to discover glimpses of God's light in everyday life If there is any thread that holds these haphazard reflections together it is just the conviction that beneath the surface of things there lurks an invitation gentle and alluring that even in sadness and misfortune there is always rising up as if from hidden wells the promise of peace and that the final word spoken over this world and over each human life will be a word of joy For Younger Readers; Braille and Talking Books, 2009 *Children's Catalog* H.W. Wilson Company, 2007 The Mennonite Quarterly Review, 1928 *Paul and the Faithfulness of God* N. T. Wright, 2013-11-01 This highly anticipated two book fourth volume in N T Wright's magisterial series *Christian Origins and the Question of God* is destined to become the standard reference point on the subject for all serious students of the Bible and theology The mature summation of a lifetime's study this landmark book pays a rich tribute to the breadth and depth of the apostle's vision and offers an unparalleled wealth of detailed insights into his life times and enduring impact *Cosmos, Chaos and the Kosher Mentality* David Bryan, 2015-01-29 This is an innovative investigation of the puzzling animal imagery found in three 2nd century BCE texts the *Animal Apocalypse* 1 Enoch 85-90 the *Testament of Naphtali* and *Daniel 7* It urges that a sense of cultural change is required to understand this well known imagery and argues in particular that the mentality underlying the kosher legislation played a significant even if unconscious role in the imagination of the various authors A reading of the *Animal Apocalypse* is offered which argues that the author utilized the unclean precisely because they represent for him the forces of chaos set in opposition to God Bryan acknowledges that the bizarre creatures of *T Naph 5* and *Daniel 7* belong to a different kind of imagery *Mischwesen* but argues that awareness of the influence of the kosher mentality opens up new explanations As mixed creatures they represent a radical break with order They are an intense form of unclean creature and those whom they represent are perceived to be living embodiments of the powers of chaos
