The Widows of Wichita County Jodi Thomas, 2017-12-18 Apart from sharing the same zip code Randi Howard Anna Montano Meredith Allen Helena Whitworth and Crystal Howard have absolutely nothing in common until a fiery explosion on a west Texas oil rig changes everything Their husbands are men who live to search for black gold men who are willing to exchange backbreaking work and long days for danger and excitement and money But on a blistering day in early autumn four of the men pay the ultimate price leaving behind one man who wishes he had In one brief moment a tragedy binds Randi Anna Meredith Helena and Crystal closer together than a lifetime of friendship As they gather at the hospital waiting to learn who among them will not have to bury her husband they turn to one another for support And so begins a journey of faith of strength of tears and of love
