The Wielder Diaries Ashley Scheller, 2021-03-12 Please Please come back Those words ring in her ears as she awakens A strange band of characters call her Kayla a name she's forgotten along her life filled with transforming animals magic and dragons Anybody would want to remember such an exciting life yet there seems to be a truth no one wants to share WHY it's important Kayla remembers With a mystical book in hand she races against time to recall her adventures she shared with her family and friends in this first installment of The Wielder Diaries series *My Crystal* *The Wielder Diaries* Ashley Scheller, 2015-09-05 At five her presence alone could transform lions into human like beings At nine she could manipulate everything inanimate in turn creating her surroundings to her liking She is their Saqui a precious child with awesome power Now if she could only remember A 12 year old girl awakens after a long sleep and mysteriously has no recollection of her past Upon the insistence of four who claim to be her guardians and friends Kayla begins to read from a bizarre diary hoping to gain her memories before she loses her kingdom A journey of self discovery wonder and adventure begins when she opens the covers made of crystal **Farther and Wilder** Blake Bailey, 2013-12-03 Charles Jackson's novel The Lost Weekend the story of five disastrous days in the life of an alcoholic was published in 1944 to triumphant success Although he tried to escape its legacy Jackson is often remembered only as the author of this thinly veiled autobiography In Farther Wilder the award winning biographer of Richard Yates and John Cheever goes deeper exploring Jackson's life from growing up in the scandal plagued village of Newark New York to a career in Hollywood and friendships with everyone from Judy Garland and Billy Wilder to Thomas Mann and Mary McCarthy This is the fascinating biography of a writer whose life and work encapsulated what it meant to be an addict and a closeted homosexual in mid century America and who was far ahead of his time in bringing these forbidden subjects into the popular discourse *A Wilder Way* Poppy Okotcha, 2025-04-24 A wise passionate heartfelt book An invaluable resource for those seeking greater attunement with the year's cycles Katherine May I learnt so much about the alchemy of the living world and the possibilities of relationship I finished the book newly awestruck by planet Earth and all the life that she carries Beautifully written nourishing evocative and inspiring Lucy Jones author of *Losing Eden* Poppy's fresh eyed look at her own little corner of the county gave me a renewed sense of wonder and delight at the joys and challenges of loving and on good days living off a small patch of land Plus some truly brilliant ideas for getting the most from it Hugh Fearnley Whittingstall This is an intimate look at building a true relationship with a garden and all that live in it Practical poetic political like the best conversations over tea in the garden Alys Fowler *A Wilder Way* is a memoir of a relationship with an ever changing garden of setting down roots and becoming embedded in nature and of how tending to a patch of land will not only grow us as individuals but can also help to grow a better world Join Poppy Okotcha in her wild little garden in Devon where over the course of a year she shares the inspiring the mundane and the magical moments that arise from tending a garden through the seasons and what they can teach us about living more sustainably Alongside tips for

sowing and growing wild ingredients to be found and delicious seasonal recipes to make she shows us how the small joys of engaging with the natural world are imperative for our physical and emotional wellbeing How the more we look at the world around us the more we learn and the more we care Woven throughout are personal stories exploration of environmental issues facing us today and folktales from her English and Nigerian heritage stories with nature at their heart that have inspired her and will inspire us to live a little more wildly With original illustrations from Frances Whitfield WINNER OF THE JANE GRIGSON TRUST SOUS CHEF AWARD FOR NEW FOOD AND DRINK WRITERS 2025 *Becoming Laura Ingalls Wilder* John E.
