

Divine Intervention

...when only
a MIRACLE will do

All this took place to fulfill
what the Lord had said through the prophet:
"The virgin will conceive and give birth to a son,
and they will call Him Immanuel"
(which means "God with us").

Matthew 1:22-23

The Will To Livethe Power Of His Divine Intervention:

The Will to Live Francis Wallace,2015-12-11 Not predicting what life has to offer you can never take it for granted Life is very short and precious Any given Sunday or any given day could be your last The Will to Live The Power of His Divine Intervention not only chronicles my survival journey but also illuminates the how and why It s my legacy for the living On Sunday August 29 we made plans to fire up the grill hang out with friends and watch the football game It was just another Sunday The guys were outside starting the fire while the ladies were inside preparing the food Then all of a sudden our fun filled afternoon turned into a nightmare A fiery backyard explosion nearly ended my life Suffering from second and third degree burns over 80% of my body my life as a young husband and a new father with a budding career was quickly put on hold With a slim chance of survival the doctors didn t have much hope for me The lead physician at Washington DC s Providence Hospital was just two years older than I and still at the threshold of his career They called in the hospital s priest to administer the last rites I pleaded with God to forgive me and give me one more chance to live He answered my prayers My ultimate survival depended upon two things my will to live and my willingness to welcome God s powerful intervention
