The Wizard's Tide: A Story / Frederick Buechner Frederick Buechner,1990 *The Wizard's Tide* Frederick Buechner,1990 An eleven year old boy describes the joys and sorrows of growing up in a dysfunctional family with a jobless alcoholic father during the hard times of the Depression *The Wizard's Tide* Frederick Buechner,1993-03-25 An eleven year old boy describes the joys and sorrows of growing up in a dysfunctional family with a jobless alcoholic father during the hard times of the Depression *The Book of Buechner* W. Dale Brown,2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer The Book of Buechner explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying The Book of Buechner is a much overdue literary journey through one of the most significant American writers of the last fifty years **The Last Wizard - the Story of a Reluctant Hero Second Edition** Terry Unger,2011-06-06 Throughout all of this the Catholic Church declared a ban on any form of contraception in South America Mexico Central America and Africa In these poor countries the Church felt it still had significant influence This action only added to the already staggering population growth People not killed off by disease died from starvation The rise of the Christian Right who were no more than fascists added their considerable weight to the crisis This movement managed to influence the U S federal government particularly the executive and judicial branches Their influence had U S Presidents reject the Kyoto Protocol and the Bali Accords using the excuse that participating in them would hurt American business interests In true Fascist tradition the American military industrial complex and right wing Christian ideologues were cozily in bed with each other When the developing nations saw the United States pay no more than lip service to Kyoto and Bali they followed suit Debt national corporate and personal was staggering The Christian Right became deeply entrenched in government the military and business But they needed Democrats and began to court them like a rich old geezer courts a Playboy centerfold Payment rendered by the Democrats was the gutting of the Constitution and the repeal of Roe v Wade The Christian Right was very close to creating their ideal Christian Nation but took one huge misstep Nuclear missiles were shaken by their political puppets like a stick shaken by an armchair general scolding a poor ally China and India considered godless by the Right were the targets of this saber rattling even though they held most of this nations debt When they had had enough they called in the debt The United States went financially belly up and because of the interconnectedness of the global economy woven between nations so did other countries This worldwide governmental bankruptcy combined with things previously mentioned brought about total collapse Governments capitulated and civil order became non existent ushering in The Age of Anarchy The world now more than ever needed heroes **The Wizard King** David Ker,1895 **The Wizard** Henry Rider Haggard,1896 *Wilson the Wizard* Mark J,2018-02-13 The book Wilson the

Wizard as the title suggests is about a wizard named Wilson and his familiar demon helper a demon dog named Jacob It contains heaps of action and humor and very much takes the mickey out of makes fun of sacred cows Nothing is sacred The book has an annoying character who pops up often right in the middle of action called the Elf Editor who defines words and sometimes refuses to if they are rude It also has a very peculiar immortal spirit in a light bulb called Albert who is partial to 1970s hard rock music Wilson and Jacob are very tough and are both augmented physically in addition to having magical powers so they are not to be taken lightly by any enemies which they have many of The veiled picture; or, The wizard's legacy Elizabeth J. Lysaght,1890 *Story Sensei Self-Editing Worksheet* Camy Tang,2024-03-23 You ve finished your novel How do you make sure you have a good character arc strong story structure good pacing How can you smooth over rough writing patches eliminate episodic writing or increase emotional intensity My Self Editing worksheet combines a variety of techniques that I have taught in online workshops into one place with tips to help you refine and polish your manuscript By the end of the worksheet you ll have 1 A good large scale view of your story structure and character arc and knowledge about how to fix any problems in that area 2 Tips for how to revise more emotion into your writing 3 Tools for solving pacing issues 4 A deeper look at technical writing errors to look for in your writing 5 An understanding of your own strengths and weaknesses in terms of critiquing yourself This 69 page worksheet consists of lessons homework and fun exercises for you to apply various types of self editing on your manuscript You ll learn lots of simple techniques to help you revise and tighten your manuscript to be the best it can be Note I made this worksheet originally for a class I was asked to teach This is essentially the shortened versions of both my Deep Point of View worksheet and my Characterization worksheet This contains about 60% of what s in my Deep POV worksheet and about 70% of what s in my Characterization worksheet Both of those worksheets go into more depth about Deep POV and Characterization so if they both interest you you ll get more information and instruction if you buy those two separately However if you want more bang for your buck this worksheet is like the abridged versions of those two worksheets combined into one worksheet Just be aware that this will contain much of the same stuff rather than being all new material *Writing the Short-story* Joseph Berg Esenwein,1924 **Grannie Tresawna's story** Nellie Cornwall,1886 **The lion's whelp, a story** Amelia Edith Barr,1902 "The" Stories of the Kings of Norway Called the Round World (Heimskringla): The preface of Snorri Sturluson.
