Ellet,2018-04-23 Excerpt from The Women of the American Revolution Vol 2 The morning passed the sun sank low in the horizon The hospitable host smiled as he saw the Colonel s faithful attendant Bishop true to his orders holding his master s spirited steed at the gate The veteran waited and marvelled at the delay Ah Bishop says a fair writer describing the occurrence there was an urchin in the drawing room more powerful than King George and all his governors Subtle as a sphynx he had hid den the important despatches from the soldier s sight shut up his ears from the summons of the tell tale clock and was playing such mad pranks with the bravest heart in Christendom that it uttered with the excess of a new found happiness 1 Mr Chamberlayne insisted that no guest ever left his house after sunset and his visitor was persuaded with out much difficulty to remain The next day was far advanced when the enamored soldier was on the road to Williamsburg His

**The Women of the American Revolution, Vol. 3 of 3 (Classic Reprint)** Elizabeth; F. Ellet, 2015-07-19 Excerpt from The Women of the American Revolution Vol 3 of 3 It can hardly be necessary to apologize for the appearance of a third volume of this work in view of the favor with which the first have been received and the general interest manifested in the subject The materials for these new memoirs are derived altogether from private sources It will be seen that I have occasionally added to sketches of the women notices of brave men nearly related to them whose services deserved mention with anecdotes illustrative of the war or the state of the country This has been done only where no account of the individual or of the incident is given in any published work Many among the actors in that momentous drama whose deeds should have been recorded are scarcely mentioned by name in historical books and no full history has ever been written of some parts of the Confederacy It seemed therefore a duty to rescue from oblivion well authenticated facts which were likely to be of value to the future historian About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
