**a Man** Linda Porter Harrison,2011-06-09 Think Like a Man and here's a thought Start Acting Like a Man The 25 mistakes men make that prevent them from finding and keeping true love This is the perfect companion book to Steve Harvey's book Act Like a Lady There are hundreds of books written for women on how to find a man Yet very few books that address the critical things that men do or don't do that prevent relationships from thriving and going to the next level One of my personal goals is to promote marriage and to help people stay in love When Steve Harvey wrote the book Act Like a Lady Think Like a Man millions of women flocked to purchase a book that was going to show them how to get a man To be perfectly honest with you I didn't realize the magnitude of how naive we were as women when it came to men However I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing Relationships don't simply fail because of women men play a vital role too I could have easily written one hundred mistakes that men make but I chose to focus on the twenty five mistakes that I hear repeatedly from married and single women It is my hope that this book will cultivate a more balanced conversation between men and women More importantly that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love

women should think like men However it revealed the obvious that when women tried to think like men they lost their individuality and wisdom which invigorate their quality This book is not a direct attack of the validity of the fame comedian however it is Raymond Sturgis continuation of the conversation why should women think like a man Moreover women success in education medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them Therefore I submit to you realistic analogies of why women should ACT LIKE LADY and continue to make the world respect them for their intelligence and ability to transform this world From faith self esteem and intimacy marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves Think Like a Woman Act Like a Man Dan Edward Knight, Love Dan Edward Knight Sr, 2015-09-20 THE PROBLEM WITH MOST MEN IS THEY THINK LIKE MEN IF THEY THOUGHT LIKE WOMEN THEN THEY WOULD UNDERSTAND THEM THIS BOOK IS A TRIBUTE TO THAT FACT
