Written in an easy and accessible format, this book covers the foundations of business ethics by drawing from both Eastern and Western traditions. The chapters include many examples, case studies, activities, and illustrations that are customized to the Middle Eastern market yet relevant to readers outside of the Middle East who want thorough insights about business behaviour in the region. A special module introduces the Arab Middle Eastern context that non-Arab readers will find valuable. The author addresses topics related to organizational culture, leadership, CSR, corporate governance, marketing, HR, accounting, finance, and production.
