*The Anger Workbook for Teens* Raychelle Cassada Lohmann, 2019-05-01 It's hard being a teen in today's world and many teens struggle with anger as a result. But what if we could teach teens to interact with their anger in a positive way? Fully revised and updated based on reader feedback, this timely second edition of *The Anger Workbook for Teens* includes activities based in empirically supported treatments to promote psychological flexibility, giving teens the skills they need to understand and interact with their anger rather than simply attempting to control it. **Mathematics Today**, 2000 **All That It Takes (A McKenzie Family Romance)** Nicole Deese, 2022-04-05 A charming fish out of water tale. Fans of Rachel Hauck should take a look. Publishers Weekly on *All That Really Matters*: When the ever-cautious Val Locklier moves cross-country with her son for a secure job, everything she'd planned unravels within the first week. After Val reluctantly agrees to rent an apartment from her best friend's brother, an unexpected chance at an elite filmmaker's mentorship ignites fresh hope for a dream career. But as Val's community begins to expand, so do her insecurities, especially those heightened by her growing attraction to a certain friendly landlord. Pastor Miles McKenzie returns home from a short-term mission trip to discover that not only does he have an intriguing new tenant living upstairs, he's also been reassigned to a local ministry on life support. Disillusioned and restless, he distracts himself by throwing his energy into a host of new projects, not the least of which is pursuing Val without stopping to consider the future. As Val struggles to stop hiding behind the camera and Miles wrestles with shattered expectations, they'll find that authentic love and sacrifice must go hand in hand. An exceptional inspirational love story. **Booklist** **Open-ended Maths Tasks** Helen Macpherson, 1993 A teacher's resource book for junior and middle primary teachers designed for active learning through enjoyable participation.
