Toot Sweet Daniel Owen:

Toot Sweet Daniel Owen, 2015 Poetry Like its punning title Dan Owen's agile first collection is playful but with a subtext of urgency We ask for nothing less than new means of new streets he writes but the request goes unanswered which is what happens when poems end but whatever prompted them persists The cumulative effect is one of a quiet persistent claim to some kind of agency against the odds Anna Moschovakis TOOT SWEET Dan Owen's exquisitely scaled long poem full of jaunts and song and a wry foregrounding of diction strums delight Anselm Berrigan *Toot-Sweet*, 2011 **Restaurant**

Samsara Daniel Owen, 2018 Poetry From the first bold declaration in Daniel Owen's RESTAURANT SAMSARA the looping language of eros and beauty jolts towards the reader and does not let up until the book is done The poet's lines move forward and fall back on themselves back upon and back and again drawing us nearer like a gyre to a central concentrated point of meaning and attention The speaker roams the streets wearing a tux of want joy and desire are met with the unfolding processes of linguistically fragmented images like shards of light refracted from broken glass the selves within selves At the same time the speaker is also keenly attuned to the socio political problems of the 21st century positioned beyond the mere desire of one body It won't be the future and we'll die there together Both spare and lush these poems are a gripping testament to the surprise confusion and pleasures of navigating the modern world via poetic structures and visions Sandra Simonds This book is pretty in the best razor way flange squeal in the dark is Barbara Guest whispering from behind the settee This book is prettiest and smart and wise to ordinary furniture and flat silent fields that might turn saucy and eternal right over here we should go for a walk in Daniel's glorious new multi use restaurant gently and moodily and carefully made by a human out of items with which they've been intimate Cathy Wagner Aside from the way it bewitched me into reading it twice in a row this book's greatest power is that it flips the stubborn oddity of one person's vision into everyday news which because Daniel Owen is such a gifted poet is fated even as the poet cheats fate on most pages to take the form of line breaks wordplay misdirection sly elegy horny coffee cups all levitating in a fly by night show of magical skepticism Almost kid like in its tender toughness yet unwilling to transact a single platitude in the love affair between cause and effect RESTAURANT SAMSARA channels the and Julien Poirier **Catalog of Copyright Entries** Library of Congress.
