*Too High to Die* Greg Prato,2012    *We're Not Here to Entertain* Kevin Mattson,2020 Kevin Mattson offers a history of punk rock in the 1980s He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics Punk spread across the continent in the 1980s as it found expression in different media including literature art and poetry Punks dissented against Reagan s presidency accusing the entertainer in chief of being mean and duplicitous especially when it came to nuclear war and his policies in Central America Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair    [Corporate Rock Sucks](#)

Jim Ruland,2022-04-12 A no holds barred narrative history of the iconic label that brought the world Black Flag H sker D Sonic Youth Soundgarden and more by the co author of Do What You Want and My Damage Greg Ginn started SST Records in the sleepy beach town of Hermosa Beach CA to supply ham radio enthusiasts with tuners and transmitters But when Ginn wanted to launch his band Black Flag no one was willing to take them on Determined to bring his music to the masses Ginn turned SST into a record label On the back of Black Flag s relentless touring guerilla marketing and refusal to back down SST became the sound of the underground In Corporate Rock Sucks music journalist Jim Ruland relays the unvarnished story of SST Records from its remarkable rise in notoriety to its infamous downfall With records by Black Flag Minutemen H sker D Bad Brains Sonic Youth Dinosaur Jr Screaming Trees Soundgarden and scores of obscure yet influential bands SST was the most popular indie label by the mid 80s until a tsunami of legal jeopardy financial peril and dysfunctional management brought the empire tumbling down Throughout this investigative deep dive Ruland leads readers through SST s tumultuous history and epic catalog Featuring never before seen interviews with the label s former employees as well as musicians managers producers photographers video directors and label heads Corporate Rock Sucks presents a definitive narrative history of the 80s punk and alternative rock scenes and shows how the music industry was changed forever    [Alternative](#)

**for the Masses** Greg Prato,2025-10-28 Get the definitive story of the 90s alt rock movement straight from the musicians and figures who lived it No period in the history of rock music offered such an abrupt shift in prevailing tastes as the 1990s While just a short while before radio and MTV were clamoring for hair metal bands suddenly alt rockers such as Jane s Addiction Nine Inch Nails Faith No More Primus Smashing Pumpkins and of course Nirvana brought a sea change not just in what the most popular bands sounded like but also in fashion politics and seemingly all aspects of pop culture In Alternative for the Masses The Oral History of the 90s Alt Rock Revolution veteran music critic Greg Prato presents more than 60 new interviews conducted exclusively for the book with an emphasis on the 1990 1995 peak period including insights from renowned names like Ian MacKaye Fugazi Dischord Records Frank Black Pixies Corey Glover Living Colour Moby solo artist DJ Al Jourgensen Ministry Les Claypool Primus Kennedy host of MTV s Alternative Nation Matt Pinfield host of MTV s 120 Minutes Butch Vig producer of Nirvana s Nevermind Tanya Donnelly Belly Breeders Fred Armisen Portlandia Saturday Night

Live Prato also includes excerpts from one of the last interviews with Steve Albini arguably the period's most influential recording engineer and producer responsible for influential albums by the likes of Nirvana and PJ Harvey producer among many others Prato sets out his book in thematic chapters covering topics such as The Lollapalooza music festival The impact of Nirvana Alt rock's many subgenres Notable producers of the period The impact of women rockers MTV's influence Drugs and addiction and much more Do you long for the days when it seemed rock artists were all about daring to be different speaking their minds and shaking up the music industry The last decade before the internet downloads and streaming took over music Alternative for the Masses will take you back to that time when alt rock truly promised something different
