

TOO GOOD TO BE TRUE

Radical Christian Preaching, Year A

CHRISTOPHER D. RODKEY

Foreword by Peter Rollins
Afterword by Thomas J.J. Altizer

Too Good To Be True Radical Christian Preaching Year A

CH Cherryholmes

Too Good To Be True Radical Christian Preaching Year A:

Too Good to be True Christopher D. Rodkey, 2014-02-28 With a foreword by Peter Rollins and an afterword by Thomas J Altizer Too Good to be True is a collection of sermons written and preached from a radical theology perspective which demonstrate preaching in a post Christendom post God world These sermons were actually preached in a mainline church in the US The sermons follow the liturgical and lectionary year A so clergy may use the books for their own preaching and easily reference it in their professional work

In Search of Radical Theology John D. Caputo, 2020-10-06 This sparkling collection of essays invites readers to join a seasoned scholar on his journey to catch radical theology in action both in the Church and our culture at large Capturing a career s worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars Journeying from the academy to contemporary American culture In Search of Radical Theology includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo s thought but also invites us to accompany the author as he travels into intriguing new territories
