do I manage them all What s an ARC A media kit A book trailer A blog tour Do I really need to start a blog Send out a newsletter Dive into social media Give away my books How do I price my book Should I pick one price or vary it Where are the best places to advertise my sale events How much is all of this going to cost me Don t feel overwhelmed by the publication and promotion process Let award winning critically acclaimed author Kim Iverson Headlee give you the practical wisdom you need to stay on task and perhaps even come out ahead *Young Adult Literature, Fourth Edition* Michael Cart, 2022-05-09 Editorial Advisory Board Sarah Park Dahlen Associate Professor School of Information Sciences University of Illinois Urbana Champaign Marianne Martens Associate Professor School of Information Kent State University Amy Pattee Associate Professor and Co coordinator of Dual Degree MS LIS MA Children s Literature School of Library and Information Science Children s Literature Simmons University Comprehensive and substantial a highly recommended resource raved VOYA about the third edition Now to keep pace with changes in the field of publishing and realign itself to the newest generation of young adults Cart returns with a sweeping update of his classic text Relied upon by educators LIS instructors and students and practitioners for its insight and thoroughness his book surveys the landscape of YA lit both past and present sketching out its origins and showing how it has evolved to deal with subjects every bit as complex as its audience closely examines teen demographics literacy audiobooks the future of print the role of literary criticism and other key topics provides updated coverage of perennially popular genre fiction including horror sci fi and dystopian fiction delves deeply into multicultural and LGBTQIA literature substantially updated in this edition features expansive interviews with best selling authors like Eric Shanower Jackie Woodson and Bill Konigsberg as well as several publishers and leaders in the field discusses the impact of the Printz Award ALAN s Walden Award the National Book Award The Los Angeles Times Book Award and other honors and features abundant bibliographic material to aid in readers advisory and collection development

Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences

lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

Graphic Novels Michael Pawuk, David S. Serchay, 2017-05-30
