Gerard Meerstadt,2019-02-20 The key to understanding the book of Revelation is enclosed in its title It is a revelation It reveals things that were unknown makes them plain and understandable Consequently it is not to be regarded as a mystery that needs to be solved a book with a hidden meaning that requires experienced scholars to unravel it Quite the opposite It presents itself as the solution to the riddle revealing how all the major prophesies of the Bible will find their fulfilment while documenting what happens to our world in its transition to the next stage in human history It contains exactly what Jesus Christ wants to reveal to us on a need to know basis Is he capable of revealing something Does he require other people to

explain to us what he actually meant Of course not So let us do something very unusual and try to understand the book of Revelation just as it is We are all students of the word not teachers Jesus is our teacher in this case Everything we pretend to know might hold us back from discovering something really new to us *Torment Signed Edition* Lauren Kate,2010-11-01
