**Torture and Eucharist** William T. Cavanaugh,1998-12-07 In this engrossing analysis Cavanaugh contends that the Eucharist is the Church's response to the use of torture as a social discipline Torture and the Eucharist : theology, politics, and the body of Christ William T. Cavanaugh,1998 **TORTURE AND EUCHARIST: THEOLOGY, POLITICS, AND THE BODY OF CHRIST (INTERLOAN 321392).** , **The Eucharist, Poetics, and Secularization from the Middle Ages to Milton** Shaun Ross,2023 The Eucharist Poetics and Secularization from the Middle Ages to Milton explains the astonishing centrality of the eucharist to English poets writing from the fourteenth to the seventeenth centuries

**Hermenegildo and the Jesuits** Stefano Muneroni,2017-06-27 This book explores the cultural conditions that led to the emergence and proliferation of Saint Hermenegildo as a stage character in the sixteenth and seventeenth centuries It considers how this saint became a theatrical trope enabling the Society of Jesus to address religious and secular concerns of the post Tridentine Church and to discuss political issues such as the supremacy of the pope over the monarch and the legitimacy of regicide The book goes on to explain how the Hermenegildo narrative developed outside of Jesuit colleges through works by professional dramatist Lope de Vega and Mexican nun Juana In s de la Cruz Stefano Muneroni takes a global approach to the staging of Hermenegildo tracing the character's journey from Europe to the Americas from male to female authors and from a sacrificial to a sacramental paradigm where the emphasis shifts from bloodletting to spiritual salvation Given its interdisciplinary approach this book is geared toward scholars and students of theatre history religion and drama early modern theology cultural studies romance languages and literature and the history of the Society of Jesus

Eucharistic Body Frank C. Senn,2017-08-15 Building on his previous work on embodied liturgy Frank C Senn explores the relationship between the sacramental body and blood of Christ the ecclesial body of Christ and the body of the communicant Drawing on the richness of the eucharistic traditions and his own life experiences this book expands our understandings of the Eucharist to include pilgrimage to the altar ad altare Dei a life of gratitude anaphora cosmology and praise preface and Sanctus body and memory anamnesis Spirit and community epiclesis Trinitarian orthodoxy and world view doxology presence and union with Christ communion and initiation and reconciliation fencing the table It argues for use of a full eucharistic prayer to express a wider understanding of the Eucharist including creation themes an emphasis on the passion of Christ to connect the Eucharist to suffering humanity an expansion of the fellowship dimension of the Eucharist to embrace the church in heaven and around the world a recovery of Trinitarian praise an ecumenical exploration of how we understand theologically the presence of Christ received bodily and a reconsideration of the value of initiation in sacramental discipline and in the life of faith *Lamentations and the Song of Songs* Harvey Gallagher Cox,Stephanie Paulsell,2012-01-01 In Lamentations well known theologian Harvey Cox draws on a wide array of sources including poetry novels films paintings and photography to offer a contemporary theological reading of Lamentations which is provocative and

sure to stir numerous theological reflections and responses The biblical book of Song of Songs has historically been seen as a book pointing to Christ's love for the church and has been interpreted in allegorical ways Author Stephanie Paulsell suggests that the Song can still have profound meaning for us teaching us to love not only what we can see shining on the surface but also those depths of the other which are out of our reach *Black British Gospel Music* Dulcie A. Dixon McKenzie, Pauline E. Muir, Monique M. Ingalls, 2024-06-04 *Black British Gospel Music* is a dynamic and multifaceted musical practice a diasporic river rooted in the experiences of Black British Christian communities This book examines gospel music in Britain in both historical and contemporary perspectives demonstrating the importance of this vital genre to scholars across disciplines Drawing on a plurality of voices the book examines the diverse streams that contribute to and flow out of this significant genre Gospel can be heard resonating within a diverse array of Christian worship spaces as a form of community music making in school halls and as a foundation for secular British popular music including R B hip hop and grime

*Commodified Communion* Antonio Eduardo Alonso, 2021-06-01 WINNER 2021 HTI BOOK PRIZE Resist This exhortation animates a remarkable range of theological reflection on consumer culture in the United States And for many theologians the source and summit of Christian cultural resistance is the Eucharist In *Commodified Communion* Antonio Eduardo Alonso calls into question this dominant mode of theological reflection on contemporary consumerism Reducing the work of theology to resistance and centering Christian hope in a Eucharist that might better support it he argues undermines our ability to talk about the activity of God within a consumer culture By reframing the question in terms of God's activity in and in spite of consumer culture this book offers a lived theological account of consumer culture that recognizes not only its deceptions but also traces of truth in its broken promises and fallen hopes *Paul and the Roman Imperial Order* Richard A. Horsley, 2004-01-01 The five articles and Simon Price's response at the core of this book were originally papers delivered in a session of the Paul and Politics Group at the 2000 SBL Annual Meeting There are a number of special features that make this a special combination of articles on Paul in what is turning out to be a highly suggestive new perspective and context the ancient Roman imperial order First these articles are all informed by and respond in some way to the ground breaking work of Simon Price on the Roman imperial cult in Greek cities some of the very cities in which Paul carried out his mission Invited as a special guest of the SBL for the 2000 Annual Meeting Price was the respondent to these papers and interaction with him has aided the authors in their revisions The articles bring a rich variety of fresh perspectives to issues of the relation of Paul and the Roman imperial order including postcolonial theory political anthropological theory James C Scott postcolonial theory and feminist theory along with the new perspective on the imperial cult represented by Price This collection of articles thus stands at the cutting edge of new scholarship on Paul's mission and letters in his political and cultural context Contributors for this book include Robert Jewett Abraham Smith Neil Elliott Rollin A Ramsaran Efrain Agosto Erik Heen Jennifer Wright Knust and Simon R F Price Richard A Horsley is Distinguished Professor of Liberal Arts and the Study of

Religion at the University of Massachusetts Boston and the author of *Paul and Politics* *Ekklesia Israel Imperium* Interpretation and Paul and Empire Religion and Power in Roman Imperial Society *Recapturing an Enchanted World* John D. Rempel, 2020-01-28 While the Free Churches rightly sought to cleanse the church of the abuses of sacramentalism in that process they also set aside some of the church's historic practices and theology In response to this liturgically thin space Mennonite theologian and minister John D Rempel considers the role of the sacraments and ritual within the Free Church tradition helping us perceive the sacramental nature of our faith and worship *Pro Ecclesia*, 2000 *The History and Politics of Latin American Theology* Mario I. Aguilar, 2007 *Disloyalty and Destruction* Rob Barrett, 2009-10 This book is a heuristic reading strategy for a modern reader to engage with YHWH's threats against Israel in Deuteronomy First the biblical text is considered through close reading to discern the logic of YHWH's threats what motivates the threats what form the threats take and what effect the threats expect to produce **Decolonizing God** Mark G. Brett, 2008 For centuries the Bible has been used by colonial powers to undergird their imperial designs an ironic situation when so much of the Bible was conceived by way of resistance to empires In this thoughtful book Mark Brett draws upon his experience of the colonial heritage in Australia to identify a remarkable range of areas where God needs to be decolonized freed from the bonds of the colonial Writing in a context where landmark legal cases have ruled that Indigenous Aboriginal rights have been washed away by the tide of history Brett re-examines land rights in the biblical traditions Deuteronomy's genocidal imagination and other key topics in both the Hebrew Bible and the New Testament where the effects of colonialism can be traced Drawing out the implications for theology and ethics this book provides a comprehensive new proposal for addressing the legacies of colonialism A ground breaking work of scholarship that makes a major intervention into post colonial studies This book confirms the relevance of post colonial theory to biblical scholarship and provides an exciting and original approach to biblical interpretation Bill Ashcroft University of Hong Kong and University of New South Wales author of *The Empire Writes Back* Theory and Practice in Post Colonial Literatures 2002 Acutely sensitive to the historical as well as theological complexity of the Bible Mark Brett's *Decolonizing God* brilliantly demonstrates the value of a critical assessment of the Bible as a tool for rethinking contemporary possibilities The contribution of this book to ethical and theological discourse in a global perspective and to a politics of hope is immense Tamara C Eskenazi Hebrew Union College Los Angeles editor of *The Torah A Women's Commentary* 2007 **Current Issues on Theology and Religion in Latin America and Africa** Mario I. Aguilar, 2002 *The Review of Faith & International Affairs*, 2006 *The Journal of Medieval and Early Modern Studies*, 2001 **Choosing Peace Through Daily Practices** Ellen Ott Marshall, 2005 Choosing Peace through Daily Practice is intended for people who feel both called to and daunted by the vocation of peacemaking How do we live out this calling in a world that seeks peace through violence How do we live out this calling in a society that understands peace as the absence of violence rather than the presence of justice How do we live out this calling in a time when the daily news reinforces the

perception that peace is truly untenable The contributors all of whom teach at Claremont School of Theology argue in their essays that we live out this calling by practicing peace in and through our daily devotions work and interaction with others The first set of essays explores the vocation of peacemaking explains practices language and highlights the connection between the processes of peace in the world and peace in the home The remaining chapters describe practices of peacemaking in spiritual life classroom discourse congregational ministry and community interaction
