The Good Samaritan The Parables:

Parable of the Good Samaritan, 1992 Retells Jesus parable about the good Samaritan **The Parables of Jesus Christ:**
the Parable of the Good Samaritan John Thomas, 2017-11-10 A complete illustrated story of the The Parable of the Good Samaritan taken from the book of Luke 10 25 37 **The Good Samaritan (Touchstone Texts)** Emerson B. Powery, 2022-04-12 The story of the good Samaritan in Luke 10 is one of Jesus s most well known parables It continues to fascinate readers with its powerful imagery and ethical significance In this exposition New Testament scholar Emerson Powery shows how this classic and beloved text can speak afresh to the life of the church today Powery explains that in every generation followers of Jesus need to be reminded that mercy is a natural consequence of faith Jesus s parable of the good Samaritan emphasizes this point in a dramatic way by placing an enemy as the central hero of the story Powery explores diverse interpretations of the good Samaritan carefully investigates this parable within the theology of the Gospel of Luke and connects the parable to contemporary events The book encourages readers to think through the ethical implications of this story for their own contexts The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible for the church The series editor is Stephen B Chapman Duke Divinity School *Who Is My Neighbor?* Corey Johnston, 2017-07-18 One of the most profoundly influential and immortal parables ever recounted by the Savior is the parable of the Good Samaritan In this story the Messiah expounds upon what constitutes the nature of true religion which consists in the willful extension of charity and mercy in the performance of acts of love and in bringing the greatest good to others The parable also proves that the performance of deeds of righteousness very often comes from the unlikely of characters in strange unexpected places to provide for us in ways that utterly transcend our narrow definitions or limited expectations And no more than we should not discount any human being as unworthy of our services should we deny or underestimate that any other has the capacity to initiate or reciprocate such graces Though rich in interest as a story in itself especially as an embodiment of profoundly precious lessons on the nature of love in action and at face value is both dramatic and practical in the obvious application of its meaning there is a time honored interpretation taught by the ancient assembly and preserved throughout the Middle Ages that brilliantly encapsulates the plan of salvation in such a way that has lost its metaphorical meaning in modernity The parable of the Good Samaritan testifies of the plan of salvation the Savior s atoning love and our journey toward eternal life It can not only be read as a story of a man who went down from Jerusalem to Jericho but also about all who come down from the heavenly presence of the Father to live on earth The story has a universal application for all of humanity that is as relevant and necessary today as it was when it was first declared This meaning becomes more visible as it was formerly taught and understood by the early Church fathers an interpretation the author resurrects and elucidates upon **The Parables of Jesus** Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached **Sharable Parables** Steven James, 2005-01-03 Teach 15

D. Hayden, 2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears

consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters
