Modern-Day Miracles Allison C. Restagno, 2011-04-19 Real life firsthand stories of personal modern day miracles Miracles still happen Crushed under a 10 000 pound logging truck Bruce Van Natta suddenly found himself floating above the scene of a horrific accident There were angels present at the scene Ron Pettey's brain surgeons knew that their patient was in crisis As doctors worked to bring Ron back Ron was already experiencing the trip of a lifetime in Heaven Surviving a jet crash but trapped in a burning inferno Diana cried out Dear God in Jesus name please save me over and over Her life was in His hands Hardened atheist and police constable Roger Whipp was faced with a life or death decision pray to God for his wife's healing or disconnect her life support He chose to pray and miracles followed Working in a 110 bed mission hospital

Dr James Rennie was faced with a terrible circumstance watch his young patient die an immensely painful death or pray for a miracle in his operating room He prayed and visually watched the Lord answer prayer Newborn baby Grace lay helplessly abandoned in an Ethiopian field with a noose tied tightly around her small neck Would the wild animals hear her cry first or would God Spiritual Messages of the Miracle Stories George Henry Hubbard,1922 Guide's Greatest Miracle Stories Helen Lee,2001 The silent swish of paddles in the darkness told Karsatoa that his enemies had him surrounded Suddenly his canoe began to fly over the wateratop a giant stingray The God of the Bible is still in the miracle business These thrilling reports from around the world show that He still reveals His power and care today You will read of dollar bills that multiplied A prayer written on a kite Prison doors that opened A self healing radiator and a self filling gas tank Rain that fell only on mission property A book that refused to burn A clock that struck 13 Manna from heaven in Africa A gentle ride inside a tornado Invisible hands that lift a car And lots mysterious strangers sometimes visible only to some and not others But always protecting guiding saving **Jesus the Miracle Worker** Graham H. Twelftree,1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative He weighs their historical reliability and considers the question of miracles and the modern mind **Marvels and Miracles in Late Colonial Mexico** William B. Taylor,2019-02-15 Miracles signs of divine presence and intervention have been esteemed by Christians especially Catholic Christians as central to religious belief During the second half of the eighteenth century Spain s Bourbon dynasty sought to tighten its control over New World colonies reform imperial institutions and change the role of the church and religion in colonial life As a result miracles were recognized and publicized sparingly by the church hierarchy and colonial courts were increasingly reluctant to recognize the events Despite this lack of official encouragement stories of amazing healings rescues and acts of divine retribution abounded throughout Mexico Consisting of three rare documents about miracles from this period each accompanied by an introductory essay this study serves as a source book and complement to the author s Shrines and Miraculous Images Religious Life in Mexico Before the Reforma *Miracles: 32 True Stories* Joanie Hileman,2012-06-01 A dying child counts angels in her room A teenage boy stuns doctors by recovering from a massive brain injury A bubble of protection surrounds a man about to be hit by a car These miraculous accounts and twenty nine more are recorded in Miracles 32 True Stories Almost every month I get a request to either read or edit a book or booklet and to be honest I dread to see them coming because most of them are hardly worthy of a positive recommendation When Joan asked me to read her Miracles I was not looking forward to reading it at all much to my surprise I could not stop reading it until I had read the entire book Each story was different enough to keep my interest and God s finger print was all over each of the stories told There was never one bit of doubt who authored each of those stories BILL IRWIN CHRISTIAN AUTHOR AND SPEAKER **Invading the Realm of Demons, Disease, and Death** Carl E. Roemer,2024-01-29 This study of the miracles attributed to Jesus in the Gospels begins with a survey of the sciences because in our present cultural context materialism is the dominant approach to and

understanding of our world of history and of our very selves If the materialist s understanding is true then there is no such thing as miracles because every event must occur as the result of some previous material events Contemporary biblical scholarship mostly approaches the miracle stories from a materialist point of view It questions their historicity because they violate what has now become the entrenched *modus operandi* in our culture and society operating with the idea that the universe is a closed nexus of cause and effect The miracles are understood then as products of the community and not historical reports although according to this line of scholarship they may be based on some vague recollection of Jesus s activity that somehow had healing effects Modern science however as one scientist has put it in climbing the mountain of knowledge has reached its peak and found a theologian at the top The sciences in other words have led to the implication that our universe has a creator and that the universe and the human genome have been designed

Jesus and the Miracle Tradition Paul J. Achtemeier, 2008-01-01 Working with selected miracles of Jesus from the canonical Gospel traditions and with background studies in the general understanding of miracles in the Greco Roman world of the Hellenistic period this collection of essays shows how we may understand the theological reasons why the early followers of Jesus included these stories in their traditions that constituted the canonical Gospels Using individual stories from the Gospels three of the essays demonstrate how literary critical analysis can show the theological intent of the miracle story A second set of three essays examines the way Mark and Luke view the miracle tradition within their larger task of writing the story of Jesus A final set of three articles examines the Hellenistic background of such stories and the way they were used in secular and Jewish sources to gain perspective on what the early Christians intended with the miracle stories of Jesus

A Guide to Mark Rev. Frank W. Hughes, 2025-06-13 This book will introduce you to the oldest gospel in the New Testament the Gospel according to Mark In addition to a look at the ways in which we currently study the Gospels this book will comment on each of the passages in the Gospel of Mark The final chapter of this book considers the Gospel of Mark as a whole namely its characteristic ways of presenting Jesus and the apostles the meaning of miracles echoes of the Old Testament prophets Elijah and Elisha the relationships among the Gospels of Mark Matthew and Luke and Mark s strong criticism of the early church

Teaching with Authority Edwin K. Broadhead, 1992-01-01 The Gospels of the NT are strategic narratives of proclamation The primary focus of these narratives is christological Miracle stories play a central role in this narrative process and in its resulting christological portrait Strategies of interpretation must be consciously shaped to highlight this narrative strategy and its christological focus The first three statements now seem self evident yet these conclusions were reached relatively late in the history of research The fourth contention lies at the center of recent methodological debate in Gospel studies This analysis will re evaluate the miracle traditions through a methodology designed to highlight the narrative identity and the christological focus of the Gospel of Mark The primary goal of this analysis is reconsideration of the role played by miracles stories in the characterization of Jesus As a secondary goal this analysis will address the ongoing question of which

methodological approaches best contribute to the aims of NT studies *Signs and Wonders* Amy-Jill Levine, 2022-08-16
