

## Policy Reminder: Product Packaging and Inserts

Customer reviews help customers make informed purchase decisions and are a great source of suggestions about how to improve your products. Authentic customer reviews help new customers find and evaluate your products before purchasing. We want to remind you that Amazon policies prohibit box inserts and product packaging that direct customers to write a positive review, even if no incentive is offered for the review. Similarly, directing customers to contact you instead of leaving a negative review on Amazon is also prohibited. Please ensure your product packaging and box inserts are compliant with these policies before shipping your products to a fulfillment center or to customers. If you have products that are already in fulfillment centers and are in violation of Amazon's policies, you can create a removal order to proactively remove your inventory.
