Literature and Social Media Bronwen Thomas,2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

Berg,T.E. Black,2019-10-05 INCLUDE BONUS NOVELLA FOR A LIMITED TIME ONLY From K A Berg and T E Black comes a story of the forbidden desire a story so delicious you ll need more than One Taste One Taste Sebastian I live a good life I m successful the CEO of the advertising firm my father built from the ground up I ve been deemed a god in the sheets by the female population of New York City and have the equipment to match Life is great Until my social life messes with my professional life I ve become a frequent flyer on the gossip pages a detriment to business Just as my perfect life is starting to crash down around me I meet her All I wanted was a taste but I got much more than I bargained for Devin Seven years is a long time but it s good to be home I ve missed this place and the people in it I m living with my best friend I landed a great job as an Interim CEO which will look great on my resume and I hooked up with a hot guy I met at a bar Life couldn t get much better That is until I report to my first day at my new job and standing behind the desk waiting for me is the man I spent a sex crazed night with He devours me with his eyes letting me know things between us aren t over Except he doesn t get to make that decision I do But I no matter how hard I try I can t seem to stop this disaster from happening One Regret Sebastian Who would have thought the woman who consumed me after only one night would wind being the new Interim CEO of my company It was my sister s doing but it doesn t change that she s here right in front of me She wants nothing to do with me and I want nothing more than to claim her make her mine All I want is to worship her like the queen she is but she s more interested in fighting the attraction between us Too bad for her I can play this game better than her and I play to win Devin Life just got a lot more complicated and one night of fun has turned into regret real quick Sebastian Brooks stole a small piece of me our night at the

hotel and I haven't been able to take it back as hard as I've tried. I want to be with him but I'm not sure if what I stand to gain is more than what I stand to lose. What will happen if I choose him over everything I've worked for? He'll still own a company but I however could be committing career suicide. I want him so badly I want us and the way we fit together seamlessly but there are many reasons why we shouldn't do this. The doubts linger in the back of mind and when unforeseen circumstances crash into us it leaves me questioning everything yet he keeps me coming back. One Love Sebastian Devin warned me what would happen if we kept sneaking around together but I was sure I could control it. I was being selfish when it came to her. I wanted her and that was it. My mind was set and I was on the path to winning her heart until everything blew up in our faces. I caused pain to the one woman I promised to protect and now I have to figure out how to make it all right. There's nothing worse than seeing the look of fear on her face as the seriousness of our reality falls down on her instead of me. One thing no one counted on though was just far I'd go to save her. I'd walk through fire to keep Devin from living out her worst nightmare. Devin I've never felt so many emotions for one person before in my life. Love. Anger. Sadness. Jealousy. It's all there. It's a constant up and down when it comes to Sebastian and me. He's confident he can fix it all while I'm still trying to get over my own fears. Except those fears become reality in the most terrifying way. We've been through things most people only read about. All we want to do is love each other but someone else has other more gruesome plans for us.     **Memphis** Ginger Scott, 2018-02-23  
My mom always said it was just something about the way he moved. The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went. But make no mistake about it he was no angel. He was like a drug. My mother was his addict. I never understood it how love could make you blind and convince you to drink the poison. Not until I met Memphis Delaney. At first it was the familiar form. He's a fighter built like a god from the past the kind of man the universe doesn't make anymore. His eyes hide a story and every time I'm in his presence I want to keep reading him until I get to the end. And then there's the way he moves. His boxing is violent but beautiful and his body is a seductive weapon. When he's in the ring he wears the stare of a man committed to the battle until his very last breath. He could end me turn me into her. Too much of him will leave me as a shadow and I've lost so much of myself already. But I have discipline. It came the hard way. Lessons learned scars left behind and trust stripped away from life. I will breathe his air but I won't fall for a man like him. The only boxer who's ever going to break my heart is the one who gave me my name.     **The Storied Life of A. J. Fikry (Movie Tie-In Edition)** Gabrielle Zevin, 2022-11-15
