**The new vegetable grower's Handbook** ,1975

**The New Vegetable Growers Handbook** Frank Tozer,2013

The New Vegetable Growers Handbook is an updated version of Frank Tozer's acclaimed book The Vegetable Growers Handbook Like the original it covers every aspect of growing all of the common crops and a number of uncommon ones As a long time home gardener the author knows exactly what information you need to succeed and presents it in a clear thorough and even entertaining fashion There are step by step instructions on soil preparation variety selection raising transplants direct sowing watering protection harvesting storage seed saving and much more He doesn't just tell you what to do and when to do it he also tells you why by explaining in detail how crops grow and why they sometimes don't The original book received high marks from reader reviewers with comments like fantastic my gardening bible and this book provides more detailed and easy to read information on individual crops than any other gardening book I've seen This new revised edition has been expanded by 50 percent with more information on more crops with the aim of creating the most useful and practical book on vegetable gardening available anywhere
