**The Vision of Ayn Rand** Nathaniel Branden, 2009      **The Vision of Ayn Rand Study Guide** , 2014-01-25 A companion study guide for Nathaniel Branden's book *The Vision of Ayn Rand The Basic Principles of Objectivism*      *A Companion to Ayn Rand* Allan Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand's controversial positions      **Twentieth-Century and Contemporary American Literature in Context** Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research      *The Year of Living Virtuously* Teresa Jordan, 2014-12-16 Benjamin Franklin was in his early twenties when he embarked on a bold and arduous project of arriving at moral perfection intending to master the virtues of temperance silence order resolution frugality industry sincerity justice moderation cleanliness tranquility chastity and humility He soon gave up on perfection but continued to believe that these virtues coupled with a generous heart and a bemused acceptance of human frailty laid the foundation for not only a good life but also a workable society Writer and visual artist Teresa Jordan wondered if Franklin's perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness She decided to try to live his list for a year focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins The journal she kept became this collection of beautifully illustrated essays weaving personal anecdotes with the views of theologians philosophers ethicists evolutionary biologists and a whole range of scholars and scientists

within the emerging field of consciousness studies Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically **The Freeman** ,2010 It Usually Begins with Ayn Rand Jerome Tuccille,1971 **Basic Principles of Objectivism** Nathaniel Branden,1960 *The Ayn Rand Lexicon* Ayn Rand,1988-01-01 A prolific writer bestselling novelist and world renowned philosopher Ayn Rand defined a full system of thought from epistemology to aesthetics Her writing is so extensive and the range of issues she covers so enormous that those interested in finding her discussions of a given topic may have to search through many sources to locate the relevant passage The Ayn Rand Lexicon brings together all the key ideas of her philosophy of Objectivism Begun under Rand s supervision this unique volume is an invaluable guide to her philosophy or reason self interest and laissez faire capitalism the philosophy so brilliantly dramatized in her novels The Fountainhead We the Living and Anthem **Ayn Rand Contra Human Nature** Greg S. Nyquist,2001 No American philosopher has sold more books to the general public than Rand over thirty million at last count with over a half million being sold on a yearly basis Rand s legacy is widespread and enduring Yet despite the extent of her influence her ideas have not received much attention from scholars and critics Her philosophical views many of which are extremely controversial literally cry out for interpretation and criticism But little along these lines has appeared Ayn Rand Contra Human Nature represents a major contribution to a critical understanding of Rand s so called Objectivist ideology Based on extensive research of Rand s writings including her journals and letters the book demonstrates how Objectivism sprung from Rand s romantic and idealistic view of human nature Rand repeatedly claimed that the goal of her writing was the projection of an ideal man and that her philosophy was merely a necessary means to that end Using this insight as an interpretive touchstone the book proceeds to explain how Rand s views on history human knowledge morality and aesthetics were profoundly influenced by her idolatry of the ideal man and where she went wrong in developing her unique but flawed vision of human society *The Objectivist* ,1969 **The Passion of Ayn Rand** Barbara Branden,1986 The bestselling biography of one of the 20th century s most remarkable and controversial writers Author Barbara Branden who knew Rand for nineteen years provides a matchless portrait of this fiercely private and complex woman **My Years with Ayn Rand** Nathaniel Branden,1999-02-26 The relationship between Rand and Branden changed over eighteen yaears from student and teacher to friends to colleagues to lovers and finally antagonists *The Writers Directory* ,2013 Words on Cassette, 2002 R R Bowker Publishing,2002 *Words on Cassette* ,2000 The Objective Standard ,2007 **Ayn Rand** Hector Davidson, Ayn Rand s philosophy known as Objectivism centers around a few key principles Metaphysics Rand asserts the primacy of existence She argues that reality exists independent of our perceptions or beliefs and that it is knowable through reason Epistemology She champions reason as the only means of acquiring knowledge According to Rand reason is the faculty that identifies and integrates the material provided by our senses Ethics Rand s ethical theory is based on rational self interest or egoism She argues that individuals should act in their own best interest and that this is both moral

and practical The virtue of selfishness as she terms it means pursuing one's own happiness as the highest moral aim Politics Rand advocates for laissez faire capitalism as the ideal political system She believes that the government's sole role should be to protect individual rights through the police military and judiciary but not to interfere in the economy or individual choices Aesthetics In her view art is a reflection of an artist's values and vision of life She supports Romantic Realism where art is a representation of life as it could be and should be celebrating human potential and achievement **With Charity Toward None** William F. O'Neill, 2015-09-08 This book is a study of Ayn Rand's philosophy of objectivism It addresses three basic questions What is objectivism What is the full meaning of the objectivist point of view And what are the basic social implications of objectivism The book is divided into two major sections The first part summarizes Ayn Rand's philosophy with respect to three basic areas of inquiry 1 knowing and the known 2 personal value and the nature of man and 3 the ethics of objectivism The second part consists primarily of a critical analysis of the ideas presented in the earlier pages The purpose of the study is to deal with Ayn Rand's basic premises only secondary consideration is given to the way in which these premises apply to specific problems in such areas as politics economics and esthetics Throughout O'Neill is less concerned with criticizing what Rand says than with determining whether what she says makes sense in terms of established procedures for rational and semantic analysis and with respect to generally accepted principles for the scientific verification of evidence
