Lutjeharms,2018-08-17 This book examines the practice of poetry in the devotional Vai ava tradition inspired by r K a Caitanya 1486 1533 through a detailed study of the Sanskrit poetic works of Kavikar ap ra one of the most significant sixteenth century Caitanya Vai ava poets and theologians It places his ideas in the context both of Sanskrit literary theory by exploring his use of earlier works of Sanskrit criticism and of Vai ava theology by tracing the origins of his theological ideas to earlier Vai ava teachers especially his guru r n tha Both Kavikar ap ra s poetics as well as the style of his poetry is in many ways at odds with those of his time particularly with respect to the place of phonetic ornamentation and rasa Like later early modern theorists Kavikar ap ra reaches back to the earliest Sanskrit poeticians whom he attempts to harmonise with the theories current in his time to develop a new poetics that values both literary ornamentation and the suggestion of emotion through rasa This book argues that the reasons of and purposes for Kavikar ap ra s literary innovations are firmly rooted in his unique Vai ava theology and exemplifies this through a careful reading of select passages from the nanda v nd vana his poetic retelling of K a s play in V nd vana The Homiletic Review ,1915 The Childlike Kingdom Jay J.

Anderson,2025-02-27 O Father Lord of heaven and earth thank you for hiding these things from those who think themselves wise and clever and for revealing them to the childlike Yes Father it pleased you to do it this way JESUS This book crayons and cartoons notwithstanding really isn t a children s book Yet at its heart that s exactly what it is It s kind of hard to explain which is probably why the author uses so many colors and pictures though that s not the only reason As a starting point let s agree it s a book alphabet for kids of all ages especially those who have experienced a few more birthday parties and Christmas mornings And for Anderson s first word play it is also a book filled with truth that is for all times all places and all people all ages After all the eternal words of Jesus will be front and center from start to finish The call of Jesus to his

kingdom requires we become and live childlike So what does that sound like look like and live like Oh and play like You are invited by the King to enter The Childlike Kingdom
