## **The Way To Pentecost:**

**The Way to Pentecost** Samuel Chadwick, 2007-01-01 As the young pastor of a self satisfied English congregation in the 1880s Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set fire to them The result was immediate The Holy Spirit fell on him      *The Way to Pentecost* Samuel Chadwick, 2016-11-18 Good wine needs no bush and such excellent wine as this volume contains wants no commendation But my old friend expressed a strong desire that I should write a Foreword And I would rather be thought presumptuous than disloyal to his behest A pathetic interest attaches to these pages While they were still in the press their author passed on to his great reward The book may therefore be regarded as in some way a memorial volume In subject and content it is worthy of such designation Throughout his ministry Mr Chadwick has given exceptional prominence to the doctrine of the Holy Spirit the Lord and Giver of Life both to the Church which is Christ's body and to every member of that body Who spake by the prophets and is the flaming tongue impelling each believer to speak that which he has felt and seen Some excellent books of recent years have done something to remove the reproach of one of these chapters that there has been no great work on the Holy Spirit since 1674 Mr Chadwick might have been Owen's successor but this volume is not the book he would then have written It is not a formal treatise at all but a selection from articles on the subject which appeared from time to time in Joyful News Each chapter is therefore complete in itself and more or less independent of the remainder Mr Chadwick was not even responsible for the selection which has been made by Rev J I Brice his son in the gospel The editor has shown much judgment in his task and has succeeded in giving a book with more than a mere appearance of unity In a collection having such an origin some repetition of idea and illustration is inevitable But the book gives a powerful presentation of the teaching of Scripture from the practical side It has the characteristic mark of the author full and accurate knowledge of the Scriptures clearness of teaching precision of statement depth of insight and practical purpose It cannot fail to improve the mind quicken the conscience and kindle earnest desire to receive the gift of the Spirit in its fullness As in *The Path of Prayer* Mr Chadwick does not hesitate to share with the reader some of the great moments of personal experience To sit at the feet of one whose ear the Lord has wakened to whom He also has given the tongue of the learned is no ordinary boon To all whether weary or eager who take the position I confidently predict the hearing of a word in season F L Wiseman      **The Way to Pentecost** Samuel Chadwick, 2013-08-02 In our day much as in Chadwick's *Pentecost* is mostly misunderstood by the Church at large and is therefore either feared or turned into a circus In both cases the Spirit of God is either lacking or completely grieved This is evident in the absence of power power to embrace and live a holy life in spite of the deprivations of the professing church and the pollutions of the world around us The Christian religion is hopeless without the Holy Ghost and yet the majority of the Church seems to be content without Him and His tangible presence In *The Way to Pentecost* Chadwick sets forth the Biblical presentation of Pentecost the giving of the Holy Ghost and what that means for Christians throughout the

Church Age Christians today are in as much or greater need of a fresh presentation of Pentecost as ever. Lack of power and victory are the inevitable witnesses to this fact. The Way to Pentecost is a call for the true Church of Jesus Christ to rise up and take possession of the promise of the Father. The only power that is adequate for Christian life and Christian work is the power of the Holy Ghost.

**The Globalisation of Charismatic Christianity** Simon Coleman, 2000-10-02 This 2000 book analyses the revival of charismatic Protestant Christianity as an example of globalization Simon Coleman shows that along with many social movements these religious conservatives are negotiating their own interpretations of global and postmodern processes They are constructing an evangelical arena of action and meaning within the liminal chaotic space of the global The book examines globalization not only as a social process but also as an embodied practice involving forms of language and ritualized movement Charismatic Christianity is presented through its material culture art architecture and consumer products as well as its rhetoric and theology The book provides an account of the incorporation of electronic media such as television videos and the Internet into Christian worship Issues relating to the conduct of fieldwork in contexts of globalization are raised in an account which is also a major ethnography of a Faith ministry
