You Shall Be as Gods Erick Erickson,2024-06-25 Our country doesn t have a partisan problem a political problem a social problem or an economic problem We have a spiritual problem What in the world is happening To many Americans it feels as if reality itself has been turned upside down Speaking truth or even suggesting such a thing exists is labeled as oppression and cause for social banning Judeo Christian values once taken for granted are not only routinely ignored but openly attacked Why is America being fundamentally transformed before our eyes As Christianity has been pushed aside the Progressive Left has developed a new pagan religion complete with all the trappings creeds confessionals sacraments and mantras liturgies shunnings sacred books redemptive rituals and priests and priestesses But the radical roots of the new secular religion are ancient We ve seen it all before In You Shall Be as Gods Erick Erickson traces the religion s roots from Paganism and Gnosticism through the Age of Enlightenment all the way into the Postmodernism of the 21st century At the heart of the ancient religion is a self centered culture The Christian church today has been weakened by compromising with the neo pagan religion leaving the faithful confused and ill prepared to counter the claims of society s present day doctrine Yet there remains a significant remnant perhaps even a silent majority in America that refuses to bow to the rising belief system Just as in Rome and countless societies throughout history the religions present two opposing stories of reality which necessitates conflict In an era where the Christian thing to do seems to be to go

along and get along Erickson makes clear that the two cultures cannot peacefully coexist and calls the reader to speak the truth in love **Test Everything** George Pell, 2015-06-26 Test everything hold fast to what is good abstain from evil 1 Thessalonians 5:21 The renowned Cardinal George Pell formerly Archbishop of Sydney and recently appointed by Pope Francis as Prefect of the Secretariat for the Economy at the Vatican challenges readers with the admonition of Saint Paul to test everything These powerful reflections consider some of the ultimate questions that confront us all Why are we here What is the purpose of life What is the good we should do and the evil we should avoid Reaching out to youth as well as to people of all ages faiths and experiences Cardinal Pell uses an engaging style mixed with a keen Aussie wit He writes as a seasoned story teller an expert historian an insightful scholar a patriot par excellence and an outstanding Churchman His advice to all is credible practical and helpful Search for genuine love Do not follow the crowd Remember to pray He reminds Christians Every lover must be a fighter We know that evil will triumph if good people do nothing To those harboring doubts or tempted to disbelief he brings steadfast encouragement The Christian vision does not deceive he writes if it comes slowly wait for it will come without fail Among the many interesting topics he discusses are the Trinity the meaning of suffering the relationship between faith and science the role of Christians in public life and the enduring wisdom of *Humanae Vitae* Cardinal Pell's overall message points us to the Cross of Christ as the unique and final measure of what it means to be human and thus holy Cardinal Pell modern man of faith vision and action inspires readers to go deeper and to test everything
