**Testament of Abraham** Dale C. Allison, 2003 Table of contents      Studies on the Testament of Abraham George W. E. Nickelsburg, 1976      **The Testament of Abraham** G. H. Box, 2021-10-22      **The Testament of Abraham: Christian Apocrypha Series** Abraham, 2020 This book deals with Abraham's reluctance to die and the means by which his death was brought about God sends the archangel Michael to take Abraham to his death When Abraham refuses God eventually send in the Angel of Death but not before showing Abraham some of the beauties of heaven and earth A rare and thought provoking story which was long ago removed from the Bible      **The Testament of Abraham** James, 1892      **The Testament of Abraham** Michael Gore, 2014-05-17 The Testament of Abraham is a great read however written most likely by at least three different unknown persons due to the fact that chapters tend to repeat the story over two to three times however each chapter version seems to of have been written from a different point of view one chapter reads as a narrative another in second and third person view as if the onlooker It is generally believed that this is most likely a Jewish composition from the early first century although the actual date and original language are debatable and unprovable Probably composed in the 1st or 2nd century AD it is defiantly of Jewish origin and is usually considered to be part of the apocalyptic literature E P Sanders writes The Testament of Abraham is a Jewish work probably of Egyptian origin which is generally dated to the latter part of the first century AD The Testament of Abraham is generally considered a pseudepigraphic text of the Old Testament It is regarded as scripture by Beta Israel Ethiopian Jews and the Mormon Church but not by any other Jewish or Christian groups It is often treated as one of a trio of very similar works the other two of which are the Testament of Isaac and Testament of Jacob though there is no reason to assume that they were originally a single work All three works are based on the Blessing of Jacob found in the Bible in their style The Greek Text was first edited with an English translation and introduction by M R James in 1892 The Greek text was also early edited by Vassiliev in 1893 and retranslated again in 2014 by Pastor Michael Gore In the first nine chapters the archangel Michael vainly seeks to obtain the soul of Abraham who refuses to die A deal is arranged by which Abraham agrees to come with Michael if he can first see the created world a wish that is granted and described in an apocalyptic section that covers chapters 10 14 Upon returning home Abraham refuses to die but is eventually tricked by the angel of Death      **The Testament of Abraham** Abraham (Biblical patriarch), 1927

**Abraham Meets Death** Jared Ludlow, 2002-12-01 This book examines the narratives of the two Greek recensions of the Testament of Abraham The genre characterization and plot of each recension are discussed and then compared Ludlow illustrates that Recension A used comedy and humour to give a sophisticated treatment of death the figure death and judgment and mercy Through a careful comparison of narrative elements and vocabulary correspondences between the manuscripts of each recension he discusses a possible transmission model for the recensions concluding that Recension A written in comic form preceded Recension B Recension B then excised most of these comic elements      **The Testament of**

Translated from the Greek Text, with Introduction and Notes, by G. H. Box ... Fretheim,2007

A critical reassessment of the story of Abraham s chosen family and its impact on three faiths In an inviting style that showcases his literary discernment theological sophistication and passion for the biblical text Terence E Fretheim turns his attention to one of the most dramatic stories of the Old Testament that of Abraham Sarah Hagar Isaac and Ishmael Through close readings of Genesis 12 through 25 Fretheim guides readers through the intricacies of the plot from God s surprising call to Abraham to leave home and family to God s enigmatic commands to evict one son and sacrifice another Extending the vein of analysis in which he previously has written to wide acclaim Fretheim examines Abraham s family and assesses the significant roles it plays across three religions Judaism Christianity and Islam Relating biblical narrative to theological concerns Fretheim wrestles with such controversial concepts as God s selection of an elect people the gift of land and other promises the role of women and outsiders the character of God and the suffering of innocents In addition Fretheim contributes to the increasingly important interreligious dialogue surrounding Abraham by examining the continuing conversation among Muslims Christians and Jews about the place of Hagar and Ishmael in Abraham s family Throughout the text Fretheim frames the narrative as rooted in the trials of family and faith that define the story of Abraham as the father of three religions

*The Lost Apocrypha of the Old Testament* Montague Rhodes James,1920      *Outside the Old Testament* Marinus de Jonge,1985 The writings collected in this volume belong to the Pseudepigrapha a term used to describe material connected to official Biblical books personalities or themes but not included in the Hebrew or Greek Old Testament canon on which the modern Bible is based Twelve works concerning prominent Old Testament figures are featured      The Jewish Novel in the Ancient World Lawrence M. Wills,2015-03-11 Lawrence M Wills here traces the literary evolution of popular Jewish narratives written during the period 200 BCE 100 CE In many ways these narratives were similar to Greek and Roman novels of the same era as well as to popular novels of indigenous peoples within the Roman Empire Yet as a group they demonstrated a variety of novelistic innovations the inclusion of adventurous episodes passages of description and of dialogue concern with psychological motivation and the introduction of female characters Wills focuses on five novels Greek Esther Greek Daniel Judith Tobit and Joseph and Aseneth Drawing on a wide range of theoretical works he delineates the techniques and motifs of the Jewish novel shows how the genre both initiated and distanced itself from nonfictional prose such as historical and philosophical writing discusses its relation to Greco Roman romance and describes the social

conditions governing its emergence and reception Wills also places the novels in historical context situating them between the Hebrew Bible on the one hand and subsequent developments in Jewish and Christian literature on the other Wills sees the Jewish novel as a popular form of writing that provided amusement for an expanding audience of Jewish entrepreneurs merchants and bureaucrats In an important sense he maintains it was a product of the novelistic impulse the impulse to transfer oral stories to a written medium to reach a more literate audience
