**Tet 1968** Ronnie E. Ford,1995 The North Vietnamese realized that with the 1968 presidential elections approaching and world opinion in their favour they would be able to demonstrate the legitimacy of their struggle and to convince the American public and policy makers that a military victory would not be worth the cost Their decisive victory would be achieved with little risk Fundamentally the Communists understood twenty seven years ago the political and diplomatic nature of people's war which many in the US military still find hard to comprehend This book illustrates what the Americans missed and why they missed it [INSCOM Journal](#) ,1995 **Forthcoming Books** Rose Arny,1996-06 *Writing Classified and Unclassified Papers for National Security* James S. **Who the Hell are We Fighting?** C. Michael Hiam,2006 It was an enigma of the Vietnam War American troops kept killing the Viet Cong and were being killed in the process and yet the Viet Cong's ranks continued to grow When one man

CIA analyst Sam Adams uncovered documents suggesting a Viet Cong army more than twice as numerous as previously reckoned another war erupted this time within the ranks of America's intelligence community This clandestine conflict which burst into public view during the acrimonious lawsuit *Westmoreland v CBS* involved the highest levels of the U.S. government The central issue in the trial as in the war itself was the calamitous failure of our intelligence agencies to ascertain the strength of the Viet Cong and get that information to our troops in a timely fashion The legacy of this failure whether due to institutional inertia misguided politics or individual hubris haunts our nation And Sam Adams tireless crusade for honest intelligence resonates strongly today To detractors like Richard Helms Adams was an obsessive zealot to others he was a patriot of rare integrity and moral courage Adams was the driving force behind the CBS ninety minute documentary *The Uncounted Enemy* produced by George Crile and hosted by Mike Wallace Westmoreland brought a lawsuit seeking 120 million in damages against Adams and Wallace in what headlines around the country trumpeted as the libel trial of the century Westmoreland dropped his suit before the case could be sent to the jury Who the Hell Are We Fighting is the first serious narrative history of Adams controversial discovery of the Vietnam numbers gap Hiam's book is a timeless cautionary tale that combines the best elements of biography military history and current affairs
