Adorable Uplifting: I got this book for a friend's son, and they absolutely loved it. I browsed through it, and the pictures are adorable. The message is very positive. I would recommend this book to anyone, but it does make a great gift. Diana: My twins give four thumbs up. Ms. Marshall has a gift for touching the hearts of her young readers, as well as those who are young at heart. Leila, Luke, Sasha: An amazing gift. Everyone should have this book. The photos are bright and fun, full of life and love. This book would be a special gift for ANYONE, young or old. We all need an extra reminder now and then of who and what makes the most impact on our lives. Anny: My daughter has enjoyed every moment of your book. I see her eyes light up, and her heart filled with warmth and love as I read each page. Ami: I just read this book and loved it. Although it's written for children, anyone young or old can benefit from its wisdom. I firmly believe that affirmations make a big difference in the way we see the world. And this book is written in such a way that kids of all ages will gain from it. Jay: My daughter was so excited when she got her new book in the mail. She read it to me right away. She loved the beautiful and bright and fun story and illustrations about the cute doggies. Tammy: I absolutely love these books. I am ordering a duplicate set. Lauralee: My 3 1/2 year old son received this book as a gift, but I have to say the affirmations spoke to me as well. You're never too old to be reminded that you should love yourself and celebrate all that is great about you. As with all of this author's books, the pictures are great, and we have as much fun looking at the pictures as we do reading. Stephanie: This book has a warm, playful theme that kids will love, adults will feel good reading, such positive affirmation for their kids to read over and over again. I highly recommend a copy for home and as a gift for loved ones. Sarah: As a mom of two little girls, I'm pretty picky about their toys and books. My 2 year old likes dogs but is a bit nervous around big dogs and loud dogs. This book has been effective at helping her to build confidence in herself and around animals. What a great combination. Amy: Michael loves his book. I also purchased one for my 2 granddaughters, Morgan and Reagan. I gave the books to them at Easter, and they are really enjoying them. They get very excited hearing their name. Debbie

Edem CM,2018-07-31 A phenomenon seldom recognized in the media of Western Europe and North America is the extraordinary growth of the Catholic Church of South America and sub Saharan Africa during the last five decades and nowhere more than in Nigeria A key figure in that country and in that growth up to his death in 1995 was Cardinal Ekandem the first Anglophone West African bishop the first of many

and an outstanding churchman of the 20th Century Fr Michael Edem s scholarly biography of the Cardinal is a fascinating account of a journey from life in a traditional African village to the consistory of cardinals of the Catholic Church in Rome It will be of enormous interest to a wider public for the author s personal knowledge of the cardinal and of the Efik Ibibio culture in which they both grew up [The Hitwoman Spirals](#) JB Lynn,2024-07-31 Maggie Lee s life is spiraling out of control What else is new right Her family is pulling her in a dozen directions Her pets are bickering incessantly She s got a job that she s not quite sure she s up to doing And it kind of feels like everyone is conspiring to drive her nuts Join Maggie and her menagerie on their latest misadventure [The Hitwoman Spirals](#) Book 44 in the Confessions of a Slightly Neurotic Hitwoman series **Ave Maria** ,1882 **Revelation 12-22 (ITC)** Peter J. Leithart,2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition
