*The Star-Spangled Banner* Joseph Ferry, 2014-11-17 In September of 1814 the United States was a relatively young country engaged in a war with the most powerful nation of the time Great Britain A British fleet launched a devastating overnight bombardment of the American fort that defended Baltimore harbor As the sun rose the next morning a young lawyer named Francis Scott Key who had observed the battle saw that the American flag was still flying Inspired he wrote a poem that would later be set to music as The Star Spangled Banner our national anthem Today The Star Spangled Banner is often performed before sporting events and other public functions The national anthem is an important patriotic symbol because it reminds us about a critical moment in American history and how our flag which represents American democracy and values has continued to fly proudly despite all attacks and outside pressures

Welch, 2004-08-01 It was September 14 1814 and America and Great Britain were at war Francis Scott Key watched from the deck of a British ship where he was being held captive as cannons exploded around them After 25 hours the fighting ceased and Key peered through the clearing

smoke looking for some sign as to the outcome of the battle Was the American flag still flying His wartime experience inspired Key to write a poem which was later set to music and became America s national anthem This book tells the story of the inspiration behind our national anthem which helped transform the flag into a major symbol of patriotism and identity
