Sure Guide To Heaven Puritan Paperbacks:

A Sure Guide to Heaven Joseph Alleine, A Sure Guide to Heaven is a thorough and compelling argument for the necessity of conversion. In it the author presents the nature of true conversion and common mistakes about conversion so the reader can be assured he is not deceived into believing he is converted when in reality he is not. Matthew 7:13-14 Alleine outlines the marks of an unconverted soul so the reader may make an accurate self inventory. 2 Corinthians 13:5-6 He forewarns the fence sitter of the miseries of the unconverted state both in this life and hereafter and gives motives for conversion. The book concludes with directions to the unconverted so that the reader may take hold of the saving faith Christ offers. This Digital Puritan reprint based on the Banner of Truth edition includes the biographical preface of Iain Murray. Over four hundred Scripture references in the English Standard Version are hyperlinked and embedded into the book. No internet connection is required.

Meet the Puritans Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way. Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities. Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness. If you hunger for depth for holiness for real communion with God open these pages. Let these lives challenge you and these writings nourish you. Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ. This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines. 278 New Summaries of Puritan works with annotated bibliographies of modern reprints. Comprehensive Revision of the entire previous edition. 200 New Titles Added to the select bibliography of secondary sources. New Expanded Glossary plus an updated expanded list of Puritan publishers. The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike. Substantial enough for study accessible enough for devotional use.
