**CPSM Professional in Supply Management** Examreview,2013-10-20 According to the ISM

CPSM is the credential that surpasses the demands of the international marketplace with multi faceted skills in areas such as finance supplier relationship management organizational global strategy and risk compliance The CPSM qualification enables professionals to gain a clear understanding of their organization s supply operation and enable managers to take an active role in critical decisions It is different from APICS s CSCP in that it is targeting supply management professionals who are forward thinking and wish to have a broad understanding of all components of the profession It focuses primarily on strategic supply management not on fundamental or tactical level knowledge This Study Guide builds a solid focus while revisiting key examination topics relevant to the CPSM exam Whether you are just starting to study cramming at the last minute or simply looking to refresh this could prove to be a lifesaver To succeed in the CPSM exam you need to get yourself truly familiar with the most important information by going through sufficiently focused revision This is where we fill the gap you may think of

our product as the unofficial supplement to the regular training class or you may view it as a standalone module with a focus on building up your exam readiness      **CPSM Exam**ESSENTIALS Exam Study Guide 2013 ExamREVIEW,2012-09-26
