

The car owner's first and most frequent contact with Cadillac Service naturally will be in the service station of the distributor or dealer who sold him the car and who therefore has the greatest interest at stake in assuring him satisfaction. Cadillac Service is so organized, however, that the owner may feel perfectly free to use his car for extended travel, secure in the knowledge that other Authorized Cadillac-La Salle Service Stations are able and willing to offer the same service benefits to which he is entitled at his local service station.

Identification Card

As a means of introduction at other Authorized Cadillac-La Salle Service Stations, every purchaser of a La Salle car is given credentials in the form of an Identification Card. This card is mailed to the owner by the Cadillac Motor Car Company as soon as delivery of the car is reported by the distributor or dealer. It is supplied in a calibrated case and is intended to be carried in a holder on the car. This holder is located under the hood in the driving compartment on the right-hand side of the car as shown in figure 3.

Fig. 3. The Identification Card, when properly signed, identifies the owner at any Authorized Cadillac-La Salle Service Station.

Care of the Car

A fine piece of machinery, such as the La Salle, naturally requires a certain amount of care to assure smooth running, dependability and long life, and the owner will derive the utmost in

continuous satisfaction and utility from operation of the car by following the instructions given below:

1. Drive the car at moderate speeds for the first 500 miles.
2. Operate the car in accordance with the instructions contained in this manual.
3. Check the engine oil level every 100 to 150 miles and add oil as often as necessary to keep the indicator at "Full."
4. Check the air pressure of the tires at least once a week and keep it up to the recommended pressure—40 pounds front and rear; on cars driven at high speeds, 45 pounds or front.
5. Add distilled water to the storage battery every 1000 miles, and in warm weather every 500 miles, or at least every two weeks.
6. Have the car lubricated every 1000 miles, or at least once every 4 weeks in accordance with the lubrication schedule given on page 30.
7. Have the car inspected by an Authorized Cadillac-La Salle Service Station every 1000 miles, or at least once a month.

Fig. 4. The Identification Card should be kept in its holder under the hood at all times.

Authorized Service

The first five items above do not necessarily warrant a visit to the service station. The last two, however, require the attention of those whose knowledge and experience qualify them to perform the required work efficiently and in accordance with factory recommendations.
