It's All About the Guest Steve Difillippo, 2013-10-15 When's the last time you picked up a business book that was so engaging you couldn't put it down? Steve Difillippo was only 24 when he opened his first Davio's restaurant. Since then he's wowed Julia Child with his pomodoro, overlooked some triple X-rated shenanigans at Table 7 taken on American Express, gotten himself into Time and Newsweek for taking on American Express, cooked a rabbit for Stevie Ray Vaughn, inadvertently gotten a guest divorced, whipped up some tasty eats at the Super Bowl, and that's just the beginning. The money hasn't been bad either: that first restaurant is now the hub of a rapidly growing 50 million restaurant brand group and a 10 million Davio's brand food line. With guests constantly asking how he did it, Steve has written the ultimate guide to starting a restaurant, running a successful business, enjoying food and living life. The 5.9 million restaurant workers who say they want to open their own restaurant will go nuts over this book, but so will anybody who loves food and the restaurant world. Heck, anybody who wants to make money and have a blast doing it. As a special bonus, Steve includes twelve classic Davio's recipes. *The Unofficial Guide to Walt Disney World 2024* Bob Sehlinger, Len Testa, 2023-08-15 Save time and money with in-depth reviews, ratings, and details from the trusted source for a successful Walt Disney World vacation.
