## **Utopia Everymans Library Classics Contemporary Classics:**

**The Philosophy of Early Christianity in the Era of Digitalisation** Yip Mei Loh,2021-06-02 The benefits of the digital age are huge Our lives have been transformed both in the developed and the undeveloped world However this transformation has its dark side The same powerful technologies have enabled cultural or religious grooming to flourish unmoderated social influencing to have free reign fake information to spread and sophisticated hackers to create destabilizing international mayhem What place does the Church have in all this How does it respond What about the master philosophers of the neo Platonic age whose wisdom borne of the great philosopher himself was formed through the emerging doctrines of the early Christian church The excellent and thought provoking essays gathered here provide answers to these questions and more

*Utopian Imagination and Eighteenth Century Fiction* Christine Rees,2014-09-19 Utopian fiction was a particularly rich and important genre during the eighteenth century It was during this period that a relatively new phenomenon appeared the merging of utopian writing per se with other fictional genres such as the increasingly dominant novel However while early modern and nineteenth and twentieth century utopias have been the focus of much attention the eighteenth century has largely been neglected Utopian Imagination and Eighteenth Century Fiction combines these major areas of interest interpreting some of the most fascinating and innovative fictions of the period and locating them in a continuing tradition of utopian writing which stretches back through the Renaissance to the Ancient World Begining with a survey of the recurrent topics in utopian writing power structures in the state money food sex the role of women birth education and death the book brings together canonical eighteenth century texts countaining powerful utopian elements such as Robinson Crusoe Gulliver s Travels and Rasselas and less familiar works to examine the reworking of these topics in a new context The unfamiliar texts including Gaudentio di Lucca are described in detail to give students an idea of relevant material across a broad area A section is devoted specifically to women writes an area which has become the focus of attention The mixture of texts provides a useful cross reference for students tackling the subject from various perspectives and the comprehensive bibliography provides a valuable tool for those with general or specific interests

**English Literature: Modern** G. H. Mair,2019-12-05 In English Literature Modern G H Mair expertly navigates the intricate landscape of 19th and 20th century literature providing a comprehensive exploration of key texts movements and authors that have shaped the modern literary canon Mair adopts an analytic yet accessible literary style weaving together critical insights and contextual backgrounds that illuminate the thematic and stylistic evolutions across this dynamic period The book stands out for its cohesive organization and scholarly rigor making it an invaluable resource for students and enthusiasts of literature alike G H Mair a distinguished literary scholar and critic draws upon a rich academic background and an extensive reading portfolio to craft this insightful examination of modern English literature His passion for literary history and criticism is evident in the nuanced perspectives he offers which are informed by both historical context and contemporary relevance Mair s engagement with the works of

seminal authors reflects a deep understanding of their contributions encouraging readers to appreciate the broader implications of literary development during this vibrant era Highly recommended for both scholars and casual readers English Literature Modern serves as an essential guide to understanding the multifaceted nature of modern literature Mair's expertise invites readers to embark on a journey through the transformative power of literature enriching our understanding of the cultural and social undercurrents that have influenced significant literary works **Classics of the Western World**

John Bartlet Brebner,1927 **An Anthology of English Prose 1400-1900** Eirian James,2015-10-15 Originally published in 1956 this anthology aims to introduce English prose literature to an audience of new readers **The Publishers' Trade**

**List Annual** ,1917 **English Literature, Modern** George Herbert Mair,1911 **T.P.'s Weekly** ,1908 *Adventure Capitalism* Raymond Craib,2022-07-05 Imagine a capitalist paradise An island utopia governed solely by the rules of the market and inspired by the fictions of Ayn Rand and Robinson Crusoe Sound far fetched It may not be The past half century is littered with the remains of such experiments in what Raymond Craib calls libertarian exit Often dismissed as little more than the dreams of crazy rich Caucasians exit strategies have been tried out from the southwest Pacific to the Caribbean from the North Sea to the high seas often with dire consequences for local inhabitants Based on research in archives in the US the UK and Vanuatu as well as in FBI files acquired through the Freedom of Information Act Craib explores in careful detail the ideology and practice of libertarian exit and its place in the histories of contemporary capitalism decolonization empire and oceans and islands Adventure Capitalism is a global history that intersects with an array of figures Fidel Castro and the Koch brothers American segregationists and Melanesian socialists Honolulu based real estate speculators and British Special Branch spies soldiers of fortune and English lords Orange County engineers and Tongan navigators CIA operatives and CBS news executives and a new breed of techno utopians and an old guard of Honduran coup leaders This is not only a history of our time but given the new iterations of privatized exit seasteads free private cities and space colonization it is also a history of our future **Classics in Education** ,1968 **A Short History of English Literature** Henry Alonso

Myers,1952 *The Foundations of the Modern Commonwealth* Arthur Norman Holcombe,1923 Reader's Adviser and Bookman's Manual ,1928 Bookman's Manual Bessie Graham,Hester R. Hoffman,1958 **The Utopian Dilemma in the**

**Western Political Imagination** John Farrell,2023-03-31 In this volume John Farrell shows that political utopias societies with laws and customs designed to short circuit the foibles of human nature for the benefit of our collective existence have a perennial opponent the honor based culture of aristocracy that dominated most of the world from ancient times into early modernity and whose status based competitive psychology persists to the present day While utopias aim at equality the heroic imperative defends the need for personal and collective dignity It asks the utopian Do we really want to live in a world without struggle without heroes and without the stories they create Because the utopian dilemma pits essential values against each other equity versus freedom dignity versus justice few who confront it can simply take sides Rather the dilemma

itself has been a generative stimulus for classic authors from Plato and Thomas More to George Orwell and Aldous Huxley  
Farrell follows their struggles with the utopian dilemma and with each other providing a deepened understanding of the  
moral and emotional dynamics of the western political imagination
