## World Series Deal:

*Bigger Deal* Anthony Holden, 2007-05-08 In the years since Anthony Holden wrote his classic memoir *Big Deal* the poker world has changed beyond recognition. When Holden played in the 1988 World Series of Poker there were 167 starters competing for a prize of 270 000. Since then poker has become the world's largest single competitor sport at the 2006 World Series there were almost 9 000 players and a first prize of 12 million the richest in any sport. What happened in the years between *Big Deal* and *Bigger Deal* could never have been predicted the Internet and television sparked a worldwide explosion in the popularity of poker one that shows no sign of abating. Poker even has a respectable image these days much to the disgust of die hard players. Gone are the seedy rooms of the Horseshoe you can't even smoke at the table and you're more likely to find yourself head to head with a film star than an ex-con in Las Vegas. With the future of online poker now legally endangered in the United States Holden's vision of the poker boom comes at a critical moment in the game's history. In *Bigger Deal* Holden is your guide to the world of the new poker to the players who dominate the modern game and the personalities behind the multibillion dollar business it has become as he tries once again to win the world title. After all as Telly Savalas once reminded Holden a million dollars is never irrelevant. Not to mention twelve.

Good To The Last Out

Theo Tate, 2014-06-13 *Chronicles* the 96 players who made the last out of the World Series from Joe Tinker to Joe Rudi and the hitters from Willie McCovey to Willie McGee.

Jimmy Collins Charlie Bevis, 2014-01-10 This first book length biography of Jimmy Collins examines the life of an intensely private business oriented ballplayer who was the first third baseman to be inducted into the Baseball Hall of Fame. Collins' life is covered in depth from his early years growing up in Buffalo through his 14 year major league baseball career 1895-1908 primarily in Boston to his post baseball life as a real estate investor. This book sheds new light on Collins' motivations to leverage his baseball success which included leading Boston to victory in the first modern day World Series in 1903 into lucrative baseball contracts to fund his real estate investments. When he led the Boston Americans to successive American League championships in 1903 and 1904 Collins was instrumental in the

foundation of today's highly successful Boston Red Sox franchise and its intense rivalry with the New York Yankees.

The

**Concise Encyclopedia of American Radio** Christopher H. Sterling, Cary O'Dell, 2010-04-12 The Concise Encyclopedia of American Radio is an essential single volume reference guide to this vital and evolving medium. Comprised of more than 300 entries spanning the invention of radio to the Internet this reference work addresses personalities, music genres, regulations, technology, programming and stations, the golden age of radio and other topics relating to radio broadcasting throughout its history. The entries are updated throughout and the volume includes nine new entries on topics ranging from podcasting to the decline of radio.
