Getting Started on Instagram Donald Gregory, 2022-02-15 Instagram's popularity has skyrocketed in recent years. It is now the most popular social networking site and it continues to grow in popularity. Besides Instagram is a terrific method to keep up with what your friends and favorite brands are up to on a daily basis. Instagram, which was purchased by Facebook in 2012 and has over a billion registered accounts, has become a part of daily life. From tiny businesses to large corporations, news organizations to cultural institutions, celebrities, photographers and artists, not to mention the cottage industry of influencers that has sprung up in its wake, it appears that everyone is on Instagram these days. One could argue that Instagram is unlike any other social media platform. The platform is nearly exclusively based on sharing photos and videos rather than words. This visual twist is one of the reasons Instagram has grown into the cultural behemoth it is today. Instagramming is now a verb. If you've ever wondered how to best manage an Instagram account, there are a few basic rules to follow to ensure that your Instagram photographs and Instagram stories go viral. If you want to start a profile right now, you'll need an Instagram tutorial to get you started. We'll go over the recommended practices that any Instagram business account runner should be aware of in this beginner's tutorial. We'll have your brand feed ready in no time from setting up your profile to providing content and building your audience.
