**AI Explains: TikTok** Alexis Piani, 2025-06-01 TikTok is more than just an app on your phone it s a global phenomenon that has fundamentally reshaped digital culture entertainment and even politics in just a few short years From its origins as Douyin in China in 2016 a product of ByteDance s ambitious AI first vision it embarked on a rapid ascent culminating in its explosive global expansion following the strategic acquisition and merger with Musical.ly in 2018 This wasn t just a simple integration it instantly catapulted TikTok into the mainstream in key Western markets providing the critical mass needed for its sophisticated recommendation algorithms to truly take hold on a global scale We see the viral dances the fleeting trends and the endless stream of personalized content but understanding how this platform achieved such unprecedented dominance and why it exerts such profound influence requires looking beneath the surface This book delves into the intricate layers of the TikTok ecosystem moving beyond the viral moments to explore the technological engine corporate strategy and societal impacts that define the platform You ll gain insight into the powerful AI algorithms that curate the addictive For You feed shaping everything from music charts to political discourse and examine the complex business model that translates billions of minutes of attention into a formidable economic force We navigate the turbulent waters of data privacy concerns national security fears and the intense geopolitical pressures including the legislative actions seen in 2024 that challenge the platform s very presence in countries worldwide Drawing on research and data we critically assess its influence on mental health content moderation and its evolving role in the global information ecosystem Whether you re a student of media or technology a business professional navigating the digital landscape a parent concerned about online safety or simply someone curious about the forces shaping modern life this book offers a comprehensive and nuanced perspective It provides the knowledge needed to understand not just what TikTok is but how it works why it matters and the complex challenges and opportunities it presents By exploring its history technology culture and controversies you will gain a clearer picture of this powerful platform and its enduring influence on the digital age

**The Digital Popular in India** Deepali Yadav, Vipin K. Kadavath, 2023-11-24 This book will look at digital popular cultures in the post millennial Indian context and trace patterns of consumption and forms of agency that it engenders thus offering an interpretative analysis of digital content on different platforms The book consists of three sections The first

section centres around novel practices such as transnational consumption of digital popular content The second section deals with influencer marketing and the ways in which mediated personalities get transformed The third section includes textual analysis of OTT and other digital content in order to understand its effects on refashioning social identities such as class caste and gender

Connected Histories Eva Pfanzelter,Dirk Rupnow,Éva Kovács,Marianne Windsperger,2024-09-23 The World Wide Web WWW and digitisation have become important sites and tools for the history of the Holocaust and its commemoration Today some memory institutions use the Internet at a high professional level as a venue for self presentation and as a forum for the discussion of Holocaust related topics for potentially international transcultural and interdisciplinary user groups At the same time it is not always the established institutions that utilise the technical possibilities and potential of the Internet to the maximum Creative and sometimes controversial new forms of storytelling of the Holocaust or more traditional ways of remembering the genocide presented in a new way with digital media often come from people or groups who are not in the realm of influence of the large memorial sites museums and archives Such private stagings have experienced a particular upswing since the boom of social media This democratisation of Holocaust memory and history is crucial though it is as yet undecided how much it will ultimately reinforce old structures and cultural regional or other inequalities or reinvent them The Digital space as an arbitrary and limitless archive for the mediation of the Holocaust spanning from Russia to Brazil is at the centre of the essays collected in this volume This space is also considered as a forum for negotiation a meeting place and a battleground for generations and stories and as such offers the opportunity to reconsider the transgenerational transmission of trauma family histories and communication Here it becomes evident there are new societal intentions and decision making structures that exceed the capabilities of traditional mass media and thrive on the participation of a broad public
