appropriate as a text for upper undergraduate and graduate level courses in industrial engineering operations research and management science as well as MBA students studying service management *Unmade in China* Jeremy R. Haft,2015-07-30

If you look carefully at how things are actually made in China from shirts to toys apple juice to oil rigs you see a reality that contradicts every widely held notion about the world's so called economic powerhouse From the inside looking out China is not a manufacturing juggernaut It's a Lilliputian Nor is it a killer of American jobs It's a huge job creator Rising China is importing goods from America in such volume that millions of U S jobs are sustained through Chinese trade and investment In *Unmade in China* entrepreneur and Georgetown University business professor Jeremy Haft lifts the lid on the hidden world of China's intricate supply chains Informed by years of experience building new companies in China Haft's unique insider's view reveals a startling picture of an economy which struggles to make baby formula safely much less a nuclear power plant Using firm level data and recent case studies *Unmade in China* tells the story of systemic risk in Chinese manufacturing and why this is both really bad and really good news for America **Renegades Write the Rules** Amy Jo Martin,2012-10-02

Learn the rules to building loyal and lucrative digital followings *Renegades Write the Rules* reveals the innovative strategies behind the social media success of today's top celebrities brands and sports icons and how you can follow their lead Author Amy Jo Martin is the founder of Digital Royalty and the woman who pioneered how professional sports integrate social media In this book she shows how to build a faithful following and beat the competition clamoring for people's attention by continually delivering value when where and how people want it People want to be heard to be involved to be entertained to be adventurous to be informed Reveals the winning strategies for using social media to achieve dramatic results Shows how to gain influence with social media that requires an unprecedented and potentially uncomfortable level of accessibility and ongoing affinity Filled with illustrative examples of social media successes including Dwayne The Rock Johnson Shaquille O'Neal and Nike that show how humanizing a brand through social media leads to monetization Explores how Amy Jo Martin and other successful entrepreneurs are becoming renegades by using social media to innovate their personal and professional lives The book reveals one of the basic rules of digital media success Humans connect with humans not logos and creative taglines **Targeting Websites Dedicated to Stealing American Intellectual Property** United States. Congress. Senate. Committee on the Judiciary,2011 *Customer Service for Hospitality and Tourism* Simon Hudson,Louise Hudson,2012-11-02

Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase value for money and are less forgiving of mediocre service However despite its importance quality customer service is the exception rather than the norm in many parts of the world *Customer Service for Hospitality and Tourism* is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice In essence it is the whys and hows of customer service It is easy to read very current and full of references to all the latest research

from both academic and practitioner literature Chapters cover important topics such as the financial and behavioural consequences of customer service consumer trends influencing service developing and maintaining a service culture managing service encounters the importance of market research building and maintaining customer relationships providing customer service through the servicescape the impact of technology on customer service the importance of service recovery and promoting customer service internally and externally Key features include An At Your Service Spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service Each chapter contains a Service Snapshot short real life cases to illustrate a particular concept or theoretical principle presented in the chapter Detailed international Case Studies which cover a variety of sectors organizations and regions designed to foster critical thinking the cases illustrate actual business scenarios that stress several concepts found in the chapter They analyze customer service in the U S South America South Africa Europe Russia Australia China Canada Korea and Dubai Urban Futures Mark Burry, 2020-07-09 Given the rapid evolution of concepts such as smart cities who are the architects riding the wave of new possibilities for urban design How do contemporary agencies find pathways to understand the challenges and opportunities presented by evolving urban technology and how does architecture engage with the expanding pool of associated disciplines How should schools of architecture and urban design engage with radical digitalised urbanism This issue of AD claims that this is contested territory The two dimensionality of planners urban construct is as limited as engineers predilection to zero in and solve problems Urban Futures contends that society needs a much broader professional brush than has been applied in the past interdisciplinary urban design professionals who can reach across the philosophy and mundanity of urban existence with a creative eye The issue identifies a selection of internally resourceful visionaries who combine sociology geography logistics and systems theory with the practical realities and challenges of mobility sustainable materials food water and energy supply and waste disposal Crucially they seek to ensure better urban futures and a civil and convivial urban experience for all city dwellers Contributors Refik Anadol Philip Belesky Shajay Bhooshan Jane Burry and Marcus White Thomas Daniell Vicente Guallart Shan He Wanyu He Dan Hill Justyna Karakiewicz Tom Kvan Areti Markopoulou Ed Parham Carlo Ratti Ferran Sagarra and Bige Tun er Featured architects Arup Digital Studio Guallart Architects Space10 Space Syntax UNStudio and XKool Technology **Serious Fun** Samantha Hardingham, 2022-11-07 Guest edited by Samantha Hardingham This issue of AD celebrates the extraordinary life and work of British architect Will Alsop 1947 2018 a career and portfolio that is both literally and metaphorically steeped in colour Characterised as a maverick architect Alsop was in truth an individualist who was all for the collective and a non conformist His design aim was to replace a little misery in the world with a little joy and delight Far from diminutive in ambition many of his built projects caused big shifts in thinking about ways for citizens to perceive occupy and enjoy their cities He believed deeply in the active participation of clients to explore their architectural ideas involving them in workshops and the making of films to help them

to see and better understand what design could positively do for them His buildings and artworks are as contentious as they have been highly acclaimed but never fail to amaze and inspire His continuous engagement in teaching lecturing and exhibiting throughout his career with academic posts held in the UK Germany Austria Australia and the US meant he always remained in touch and was a consistent source of encouragement to new generations of architects entering the profession This AD aims to harness that creative energy commitment and camaraderie Contributors Ollie Alsop Thomas Aquilina Nigel Coates Peter Cook Paul Finch Mark Garcia Clare Hamman John Lyall Bruce McLean Will McLean Kester Rattenbury Marcos Rosello and Neil Thomas
