Step 1: Plan—Part B: Learning Segment Template

Downloaded: For each of the 10 to 5 lessons of the learning segment, briefly describe the following components in the following sequence:

1. **California Content Standard(s) and/or Content Standard(s) Being Addressed:** Identify the content areas, California Content Standards, teacher communication responsibilities, and California English/Language Development Standards (CALDS) mentioned in the segment.
2. **Learning goal(s):** Write learning goals(s) based on the California Content Standard(s) you identified and/or appropriate CALDS standards for each lesson.
3. **Evidence and assessments:** Describe how you will determine that the students have achieved the learning goal(s) for each lesson. Identify all evidence and/or assessments for each lesson, including informal assessments (e.g., for understanding), student self-assessment, and formal assessment.
4. **Major steps:** Describe the major steps of those teach lessons to achieve student learning goals. List relevant sub-steps with descriptions (e.g., activities, steps, materials, resources, or other learning resources), and describe how each major step supports student learning and achievement.
5. **Learning activities:** List the bullet points to outline what students will do during your lessons. They must be specific enough to be coherent (e.g., learning activities of students will be clear, when responsible, when students will use educational technology, how you will allow and facilitate students' active and learning choices).
6. **Students' needs—what they know:** List bullet points to outline what you will do to provide for students (e.g., modifications, accommodations, grouping, demonstrating, reading). Identify individualized learning plans, plus plans for each student's during the lesson.
7. **Teaching strategies:** Outline how you will group students for learning.
8. **English-language development and academic language development (ELAD):** Characterize the language demands (writing, reading, listening, speaking) of each lesson and how you will support the students' English-language development and balance the cognitive needs of English-language learners and English-language learners. Describe instructional language development considerations and specific accommodations you provide for students' ELAD.
9. **Students' needs—what they need:** Outline what you will do to support the range of learners in your class who may need adaptations that support English learners, bilingual English learners, students with identified specific needs, and other students who need adaptations to address learning or well-being needs.
10. **Partnerships and families:** Describe the engagement in learning. Explain why your chosen partnerships and relationships to support learning and language standards in the learning segment.
