## **Training Manual For Cooks:**

*Orientation & Training Manual for Cooks* Mha Rdn Cassens, Clt Fand, 2017-08-08 Mealtimes are the highlight in most of our days. For residents in long-term care communities, it becomes and even more important time to look forward to enjoying the camaraderie and company of other cooks. In long-term care facilities, cooks are responsible for customer satisfaction, budgetary requirements, following physician orders, serving the meals on time, and ensuring that even the strictest diet tastes good. This book, intended as an overview and training tool, is written in simple language, large font, with enough white space for notes. The 3 chapters include regulatory requirements, food preparation, including liberalized diets, modified textures, food sanitation, and safety. It is not a lesson in how to cook but an orientation training tool for new cooks, an excellent review tool for experienced cooks. The 50 competency questions are helpful to determine skills and competency levels, what areas need further focus. The book can be used as a self-study guide or by managers/consultants to use in training staff. **Restaurant**
