Are you prepared to be the catalyst for change? Let the journey begin.

*Drum*, 2007    *Enterprise*, 2005    *Nuts & Bolts* McLean Sibanda, 2021-01-04

The future of Africa is bright. Innovation and not aid is the answer. McLean Sibanda believes that Africa must be deliberate about its economic development and that change requires champions and importantly, fertile enabling environments. In "Nuts & Bolts", you will gain unique perspectives on challenges faced by leaders overseeing a turnaround in any organisation and the thought processes behind innovation initiatives that yielded value. McLean provides practical insights on innovation and entrepreneurship for Africa's development through a narrative of his seven years of repositioning Sub-Saharan Africa's first internationally recognised Science and Technology Park, The Innovation Hub. Included too are reflections from entrepreneurs who have all gone on to build successful businesses which will be useful for anyone working on a start up or innovation, particularly institutions set up to create new products or services. The musings of various successful entrepreneurs and ecosystem builders provide relevant context, inspiration and examples as to how best make use of support programmes provided by incubators and organisations similar to The Innovation Hub. "Nuts & Bolts" is a book about hope; it is full of stories about real people and companies who are making a difference, with testimonies of entrepreneurs, experienced ecosystem builders and innovators. It captures deep insights from the considerable time McLean has spent with entrepreneurs and innovators on the importance of inclusive innovation and entrepreneurship and provides a mix of global experiences and entrepreneurship narratives that eloquently sketch out the nuts and bolts for entrepreneurship and innovation. I hope this book will be of value to those wanting to make a difference or be the difference in solving many challenges faced by our world today and in developing new products and services to create new market opportunities for a better world.
