## **Turkey Tails And Tales From Across The Usa Volume 1:**

*Turkey Tails and Tales from Across the USA* Tom "Doc" Weddle,2013-08-09 This book is a collection of stories written by one of America's most traveled and experienced turkey hunters a man who has taken multiple toms from 49 states Such a feat didn't come easily so you might expect these pages to fairly drip with wise words of wisdom and sage advice on how to hunt those wily elusive birds and they do However Doc Weddle didn't write an instruction manual Instead he takes the reader on a trip down memory lane to recall exciting hunts which helped shape him into becoming the true Turkey Man that he is today Novice or veteran readers alike will undoubtedly gain valuable knowledge here but the author is first and foremost a storyteller and he has written this book simply to entertain his audience in a manner reminiscent of outdoorsmen standing around campfires and sharing the colorful details of their hunts with cohorts and companions The tales told between these covers will propel the reader across every geological region of the United States from the hot humid jungle habitat of southern Florida to the arid cactus laden plains of the desert southwest and right on up into the snow capped mountain states plus nearly everywhere else in between Whether Doc is chasing after the Rio Grande Osceola Eastern or Merriam's subspecies these accounts are bound to strike a chord with fellow turkey hunters for they come straight from the heart of a man who has literally designed a life around hunting turkeys all spring long and wherever he chooses to go Additionally there is an element of awe factor involved here since just about every one of these tales take place on public lands Few people would be willing to endure the hardships inherent in following such a difficult path but our author prides himself on persevering through adverse conditions and excelling in tough environments where others tread lightly if at all The reality is that he's been doing this very thing for over three decades and never returns home without new and exciting stories to tell His cooler usually contains fresh turkey meat as well
