[On the Job](#) Heather Akou,2024-02-22 Through a variety of archival documents artefacts illustrations and references to primary and secondary literature On the Job explores the changing styles business practices and lived experiences of the people who make sell and wear service industry uniforms in the United States It highlights how the uniform business is distinct from the fashion business including how manufacturing developed outside of the typical fashion hubs such as New York City and gives attention to the ways that various types of employers small business corporate government and others differ in their ambitions and regulations surrounding uniforms On the Job sheds new light on an understudied yet important field of dress and clothing within everyday life and is an essential addition to any fashion historian s library appealing to all those interested in material culture the service industry heritage and history

*Political Risk* Condoleezza Rice,Amy B. Zegart,2018-05-01 From New York Times bestselling author and former U S secretary of state Condoleezza Rice and Stanford University professor Amy B Zegart comes an examination of the rapidly evolving state of political risk and how to navigate it The world is changing fast Political risk the probability that a political action could significantly impact a company s business is affecting more businesses in more ways than ever before A generation ago political risk mostly involved a handful of industries dealing with governments in a few frontier markets Today political risk stems from a widening array of actors including Twitter users local officials activists terrorists hackers and more The very institutions and laws that were supposed to reduce business uncertainty and risk are often having the opposite effect In today s globalized world there are no safe bets POLITICAL RISK investigates and analyzes this evolving landscape what businesses can do to navigate it and what all of us can learn about how to better understand and grapple with these rapidly changing global political dynamics Drawing on lessons from the successes and failures of companies across multiple industries as well as examples from aircraft carrier operations NASA missions and other unusual places

POLITICAL RISK offers a first of its kind framework that can be deployed in any organization from startups to Fortune 500 companies Organizations that take a serious systematic approach to political risk management are likely to be surprised less often and recover better Companies that don t get these basics right are more likely to get blindsided **5 Steps to a 5 AP Human Geography, 2014-2015 Edition** Carol Ann Gillespie,2013-07-30 5 Steps to a 5 AP Human Geography features an effective 5 step plan to guide your preparation program and help you build the skills knowledge and test taking confidence you need to succeed This fully revised edition covers the latest course syllabus and provides model tests that reflect the latest version of the exam Publisher s website **The Martindale-Hubbell Law Directory** ,1997 **National Journal** ,1999
